Ten-year-old Zoe Elias, who longs to play the piano but must resign herself to learning the organ instead, finds that her musicianship has a positive impact on her workaholic mother, her jittery father, and her school social life.

Ten-year-old Zoe Elias has perfect piano dreams. She can practically feel the keys under her flying fingers; she can hear the audience's applause. All she needs is a baby grand so she can start her lessons, and then she'll be well on her way to Carnegie Hall. But when Dad ventures to the music store and ends up with a wheezy organ instead of a piano, Zoe's dreams hit a sour note. Learning the organ versions of old TV theme songs just isn't the same as mastering Beethoven on the piano. And the organ isn't the only part of Zoe's life in Michigan that's off-kilter, what with Mom constantly at work, Dad afraid to leave the house, and that odd boy, Wheeler Diggs, following her home from school every day. Yet when Zoe enters the annual Perform-O-Rama organ competition, she finds that life is full of surprises--and that perfection may be even better when it's just a little off center. This ebook includes a sample chapter of Hound Dog True.

it all down. She has just one week to convince Uncle Potluck to take her on as his custodial apprentice at Mitchell P. Anderson Elementary School. One week until school starts and she has to be the new girl again. But if she can be Uncle Potluck's apprentice, she'll have important work to do during lunch and recess. Work that will keep her safely away from the other fifth graders. But when her custodial wisdom goes all wrong, Mattie's plan comes crashing down. And only then does she begin to see how one small, brave act can lead to a friend who is hound dog true. This ebook includes a sample chapter of THE CENTER OF EVERYTHING.

Ten-year-old Zoe Elias, who longs to play the piano but must resign herself to learning the organ, instead, finds that her musicianship has a positive impact on her workaholic mother, her jittery father, and her school social life.

Spring 2013 Kids' Indie Next List For Ruby Pepperdine, the "center of everything" is on the rooftop of Pepperdine Motors in her donut-obsessed town of Bunning, New Hampshire, stargazing from the circle of her grandmother Gigi's hug. That's how everything is supposed to be—until Ruby messes up and things spin out of control. But she has one last hope. It all depends on what happens on Bunning Day, when the entire town will hear Ruby read her winning essay. And it depends on her twelfth birthday wish—unless she messes that up too. Can Ruby's wish set everything straight in her topsy-turvy world?

"Fans of Clementine and Ramona have a reason to rejoice: there's a new kid on the block . . . Bighearted, hilarious, and tender." —Katherine Applegate, Newbery medalist Max and his dad love their weekends together. Weekends mean pancakes, pizza, spy games, dog-walking, school projects, and surprising neighbors! Every weekend presents a small adventure as Max gets to know his dad's new neighborhood—and learns some new ways of thinking about home. Acclaimed author Linda Urban deftly portrays a third-grader's inner world during a time of transition in this sweet and funny illustrated story that bridges the early reader and middle-grade novel. "Urban's subtle and perceptive take on divorce will resonate with children facing similar predicaments as she blends Max's worries and 'someone-sitting-on-his-chest' feelings with a vivid imagination and good intentions that take father and son on some very entertaining adventures—with future ones planned." —Publishers Weekly (starred review) "Urban excels at credibly presenting this situation from Max's third-grade point of view . . . Urban's writing is both crisply specific (a basset hound 'sniffed as she walked through puddles, dragging her ears like flat-bottomed boats') and simple enough to be accessible." —The Bulletin (starred review) "A sweet, empathetic look at a common situation." —Kirkus Reviews "Urban's touch is light throughout . . . a story just right for budding chapter-book readers." —The Horn Book "The cast of characters grows throughout,

My mother made a snap decision. How could we know it would change us forever? 'Brimming with curiosity and wonder.' Irish Times 'Lushly atmospheric.' Daily Mail 'Thoroughly gripping.' Lucy Caldwell 'Brilliant.' Sara Baume Rage. That's the feeling engulfing the car as Ellen's mother swerves over to the hard-shoulder and orders her daughter out onto the roadside. Ignoring the protests of her other children, she accelerates away, leaving Ellen standing on the gravel verge in her school pinafore and knee socks as the light fades. What would you do as you watch your little sister getting smaller in the rear view window? How far would you be willing to go to help her? The Gallagher children are going to find out. This moment is the beginning of a summer that will change everything.

Wanting to assert his independence after tiring of his family's coddling, a youngest family member works to dress himself, feed himself and enjoy a solo adventure, in a lighthearted reworking of the "Little Red Hen" story. By the award-winning author of *Mouse Was Mad*.

Who knows the best way to be mad? Bear stomps. Hare hops. Bobcat screams. Mouse? He just can't get it right. But when he finds the way that works for him--still and quiet--he discovers that his own way might be the best of all. Linda Urban's story about self-expression is both sweet and sly, and Henry Cole's cast of animal friends is simply irresistible.

This sweet, funny novel follows fifth-grader Genie Kunkle through a tumultuous year. From the first day of school, Genie knows there will be good, bad, and in-between. The good? She's in homeroom with her best friend, Sarah. The bad? Sarah's friend from camp, Blair, is a new student at their school, and is itching to take Genie's place as Sarah's BFF. The in-between? Genie is excited to be elected to write her class's blog, where she's tasked with tracking the wishes and dreams of her class. But expressing her opinion in public can be scary--especially when her opinion might make the rest of her class upset. Elisabeth Dahl authentically captures the ups and downs of a tween girl's life, and the dramas--both little and big--that fill the scary transition between childhood and adolescence. Praise for *Genie Wishes* "Girls should identify and mothers should approve of this gentle tale of growing up." -Kirkus Reviews "Upbeat slice-of-life novel." -Publishers Weekly "Here's to reading about Genie's sixth-grade year soon." -Booklist "The author has a keen eye for the tween girl experience: Genie's plans for the future involve living right by her best friend and working together as dolphin trainers, while the highlight of her summer is the fact that her other friend just joined the pool. This will no doubt resonate with tween girls, and it has the charm and the discussion fodder to make an excellent mother-daughter book
