A NEW YORK TIMES BOOK REVIEW NOTABLE BOOK OF THE YEAR A FINALIST FOR THE LOS ANGELES TIMES BOOK PRIZE IN BIOGRAPHY AND SHORTLISTED FOR THE PEN/JACQUELINE BOGRAD WELD AWARD FOR BIOGRAPHY "Welcome to Rockwell Land," writes Deborah Solomon in the introduction to this spirited and authoritative biography of the painter who provided twentieth-century America with a defining image of itself. As the star illustrator of *The Saturday Evening Post* for nearly half a century, Norman Rockwell mingled fact and fiction in paintings that reflected the we-the-people, communitarian ideals of American democracy. Freckled Boy Scouts and their mutts, sprightly grandmothers, a young man standing up to speak at a town hall meeting, a little black girl named Ruby Bridges walking into an all-white school—here was an America whose citizens seemed to believe in equality and gladness for all. Who was this man who served as our unofficial "artist in chief" and bolstered our country's national identity? Behind the folksy, pipe-smoking façade lay a surprisingly complex figure—a lonely painter who suffered from depression and was consumed by a sense of inadequacy. He wound up in treatment with the celebrated psychoanalyst Erik

Erikson. In fact, Rockwell moved to Stockbridge, Massachusetts so that he and his wife could be near Austen Riggs, a leading psychiatric hospital. "What's interesting is how Rockwell's personal desire for inclusion and normalcy spoke to the national desire for inclusion and normalcy," writes Solomon. "His work mirrors his own temperament—his sense of humor, his fear of depths—and struck Americans as a truer version of themselves than the sallow, solemn, hard-bitten Puritans they knew from eighteenth-century portraits." Deborah Solomon, a biographer and art critic, draws on a wealth of unpublished letters and documents to explore the relationship between Rockwell's despairing personality and his genius for reflecting America's brightest hopes. "The thrill of his work," she writes, "is that he was able to use a commercial form [that of magazine illustration] to thrash out his private obsessions." In *American Mirror*, Solomon trains her perceptive eye not only on Rockwell and his art but on the development of visual journalism as it evolved from illustration in the 1920s to photography in the 1930s to television in the 1950s. She offers vivid cameos of the many famous Americans whom Rockwell counted as friends, including President Dwight Eisenhower, the folk artist Grandma Moses, the rock musician Al Kooper, and the generation of now-forgotten painters who ushered in the Golden Age of illustration, especially J. C. Leyendecker, the reclusive legend who created the Arrow Collar Man. Although derided by critics in his lifetime as a mere illustrator whose work could not compete with that of the Abstract Expressionists and other modern art movements, Rockwell has since attracted a passionate following in the art world. His faith in the power of storytelling puts his work in sync with the current art scene. *American Mirror* brilliantly explains why he deserves to be remembered as an American master of the first rank.

An eminent African-American scholar recalls a century of memories as an advocate for civil rights, from urging the Roosevelt administration to respond to the Cordie Creek lynching through his involvement in the Civil Rights movement.

"The long-awaited biography of the defining illustrator of the twentieth century by a celebrated art critic"--

In the mixed days of happiness and sadness, life and death, an African-American woman guides her children to avoid the pitfalls of their hardship environment and leap over the systematic roadblocks that confine many to juvenile delinquency. This riveting tale of faith and perseverance leads to intrigue when her spiritually inclined and ambitious son, Derrick, attempts to build a civic-minded conglomerate that undercuts the retail and gas prices set by a group of avaricious businessmen led by the narcissistic and callous, Erich Hornsby. Surrounded by fierce opposition that includes people of his race, can Derrick prevail against the powers that be? And if so, how? This God-centered adult/literary novel engages the reader with drama, familial love, romance, suspense, and philosophy.

In this sweeping survey of intellectual and musical history, David C. Paul tells the new story of how the music of American composer Charles Ives (1874–1954) was shaped by shifting conceptions of American identity within and outside of musical culture. Paul focuses on the critics, composers, performers, and scholars whose contributions were most influential in

Download File PDF American Mirror The Life And Art Of Norman Rockwell Deborah Solomon

shaping the critical discourse on Ives, many of them marquee names of American musical culture themselves, including Henry Cowell, Aaron Copland, Elliott Carter, and Leonard Bernstein. Paul explores both how Ives positioned his music amid changing philosophical and aesthetic currents and how others interpreted his contributions to American music. Although Ives's initial efforts to find a public in the early twenties attracted a few devotees, the resurgence of interest in the American literary past during the thirties made a concert staple of his "Concord" Sonata, a work dedicated to nineteenth-century transcendentalist writers. Paul shows how Ives was subsequently deployed as an icon of American freedom during the early Cold War period and how he came to be instigated at the head of a line of "American maverick" composers. Paul also examines why a recent cadre of scholars has beset the composer with Gilded Age social anxieties.

Eric is not racist—or at least he thought he wasn't. That would be tested on the night he went out to celebrate becoming partners with one of the most prestigious law firms in Mississippi. While out with his friends William and Sean, Eric has an encounter with a cabdriver. This leads to one of the most extraordinary events of his life. Follow Eric as he goes through decade after decade of American history with one exception: everything is exactly the same except that the skin tones are reversed. This will be one of the most talked-about books in a long time, along with an ending that will leave you in awe.

"Edward Snowden touched off a global debate in 2013 when he gave Barton Gellman, Laura Poitras, and Glenn Greenwald each a vast and explosive archive of highly classified files

Download File PDF American Mirror The Life And Art Of Norman Rockwell Deborah Solomon

revealing the extent of the American government's access to our every communication. They shared the Pulitzer Prize that year for public service ... Gellman ... jumped off from what Snowden gave him to track the reach and methodology of the U.S. surveillance state and bring it to light ... Along the way, he interrogated Snowden's own history and found important ways in which myth and reality do not line up. Gellman treats Snowden with respect, but this is no hagiographic account"--Dust jacket flap.

Takaki traces the economic and political history of Indians, African Americans, Mexicans, Japanese, Chinese, Irish, and Jewish people in America, with considerable attention given to instances and consequences of racism. The narrative is laced with short quotations, cameos of personal experiences, and excerpts from folk music and literature. Well-known occurrences, such as the Triangle Shirtwaist Factory Fire, the Trail of Tears, the Harlem Renaissance, and the Japanese internment are included. Students may be surprised by some of the revelations, but will recognize a constant thread of rampant racism. The author concludes with a summary of today's changing economic climate and offers Rodney King's challenge to all of us to try to get along. Readers will find this overview to be an accessible, cogent jumping-off place for American history and political science plus a guide to the myriad other sources identified in the notes.

The famed photographer, film director, writer, and composer recounts the dramatic story of his life, from his poor Kansas origins, through his breaking of racial barriers, to his triumph in America and abroad. Reprint. 12,500 first printing.
