How to Land a Top-Paying Federal Job is the ultimate guide to securing a government job, internship, or fellowship. Written by a successful career coach who has climbed the federal career ladder herself and served as a hiring manager, the book steers applicants through every stage of their job searches-from finding unadvertised openings and getting interviews to sealing enviable deals and even getting promoted. Drawing on interviews with more than 100 federal hiring managers, the book reveals the secrets to impressing these gatekeepers online, on paper, and in person-information that is available nowhere else. The updated second edition includes more get-ahead tips; new templates for writing winning applications; expanded directories for internships, fast-track management training programs and fellowships; and the latest helpful websites. Complete with a companion CD filled with sample resumes, checklists, and templates, this indispensable book gives readers the inside scoop on landing some of the nation's most secure, well-paying, and rewarding jobs-in all 50 states and abroad!

Master the new world of work. You want no, you need a new job. But not just any job. The job. So you polish your resume till it shines. You apply for countless openings, tailoring your message to each. You search for the hidden job market, although it remains very well hidden. And the response? Well, it's underwhelming. To top things off, maze-like online application systems appear designed to keep you and the perfect job apart. What's going on? How people successfully land jobs has changed. You need help from a pro, someone who navigates career data, the labor market, and hot jobs with ease. You want a coach who will tell you what to pursue and what to avoid, and an expert who has mastered job-hunting and career change to offer wisdom gained from experience. What you need is a career coach. Better yet, several. Expert career coaches contributing to this volume include Lakeisha Mathews, Dan Schwartz, Sheila Margolis, Alisa Cohn, Michelle Riklan, Marie Zimenoff, Laura Labovich, Lynne Williams, Thea Kelley, Jean Juchnowicz, Alan DeBack, Marilyn Feldstein, Vivian Blade, David Hosmer, Barbara Seifert, and Nicole Miller. Find Your Fit guides you through answering foundational questions like: What do I want to do with my career? Where should I do it? And how do I get there? As you develop a strong sense of self-awareness, you'll be able to identify the work environment best for you, shape your online identity, and network more effectively by focusing on people instead of openings. You'll learn about coveted employee referrals, and how to get one at your target company. With the help of experienced career coaches, you'll be able to handle any kind of interview. And, you'll become familiar with the pre-employment testing and assessments increasingly common today. What are you waiting for? Your personal coaching session awaits.

Discover how to: Master the basics Format your resume for cyberspace Create a killer cover letter Tailor your resume to companies and jobs Secure employment overseas Decipher and address government selection criteria

As digital technologies continue to develop and evolve, an understanding of what it means to be technologically literate must also be redefined. Students regularly make use of digital technologies to construct written text both in and out of the classroom, and for modern writing instruction to be successful, educators must adapt to meet this new dichotomy. Exploring Technology for Writing and Writing Instruction examines the use of writing technologies in early childhood, elementary, secondary, and post-secondary classrooms, as well as in professional development contexts. This book provides researchers, scholars, students, educators, and professionals around the world with access to the latest knowledge on writing technology and methods for its use in the classroom.

Completely updated with new material, this bestselling job search guide can help you keep up with changes in the job market from updating the language of your resume to using social media networking to make professional connections that are essential in finding new employment opportunities. For more than thirty years, Martin Yate's Knock 'em Dead series has helped millions of people succeed in their job search and has continued to be one of the most powerful in the field, constantly meeting the challenges of the modern marketplace. In Knock 'em Dead, you'll learn to create a resume that works, build strong profession-relevant networks, and develop street-smart strategies for getting more interviews and learning how to turn those job interviews into job offers. More than a job-search guide, you'll have a blueprint for becoming more successful, while gaining the ability to control your professional destiny and your economic security. This unique book gives you a practical, thoughtful, and carefully integrated new approach to successful career management in an age of uncertainty. Rather than a series of canned answers, this book is your gold standard for job change, professional growth, and a successful and fulfilling life.
