Dancing At Midnight had the working title of Spellbound. I was never particularly attached to this title, though, and in fact had only chosen it because it went along with Splendid . Of all my books, Dancing At Midnight required the most extensive revisions.

Lady Arabella Blydon has beauty and a brain, and she's tired of men who can see only one without the other. When a suitor tells Arabella he's willing to overlook her appalling bluestocking tendencies on account of her looks and fortune, she decides to take a break from the Marriage Mart. During an extended stay in the country, she never expects to meet Lord John Blackwood, a wounded war hero who intrigues her like no other man. Lord John has lived through the worst horrors of war, but nothing could have been as terrifying to his tormented heart as Lady Arabella. She is intoxicating, infuriating - and she makes him want to live again. Suddenly he's writing bad poetry and climbing trees in the pitch-dark night - just so he can dance with her. And even though he knows he can never be the sort of man she deserves, he can't help wanting her. But when the harsh light of day replaces the magic of midnight, can this tormented soul learn to love again?

It takes a minx to tempt a rogue... Beautiful and feisty Henrietta Barrett has never followed the dictates of society. She manages her elderly guardian's estate, prefers to wear breeches rather than dresses, and answers to the unlikely name of Henry. But when her guardian passes away, her beloved home falls into the hands of a distant cousin. And it takes a rogue to tame her... William Dunford, London's most elusive bachelor, is stunned to learn that he's inherited property, a title... and a ward bent on making his first visit his last. Henry is determined to continue running the Cornwall estate without help from the handsome new lord, but Dunford is just as sure he can change things... starting with his wild young ward. But turning Henry into a lady makes her not only the darling of the town, but an irresistible attraction to the man who thought he could never be tempted.

Based on the phenomenal growth of Quinn's popularity, and her four-week stint on the New York Times bestseller list with Romancing Mr Bridgerton, it's the perfect time to revisit Ms Quinn's 'splendid' storytelling. American heiress Emma Dunster has always been fun-loving and independent with no wish to settle into marriage. She plans to enjoy her Season in London in more unconventional ways than husband-hunting. But this time Emma's high-jinks lead her into dangerous temptation... Alexander Ridgely, the Duke of Ashbourne, is a notorious rake who carefully avoids the risk of love... until he plants one reckless kiss on the sensuous lips of this high-spirited innocent... and condemns himself to delicious torment. Little does he know that his passion has touched the very soul of the lovely enchantress... and committed them both to a lifetime of splendid ecstasy.

Dear Avon Books, Where are my heroes? Whenever I'm reading a book by one of my favorite authors I find I'm falling for the wrong guy -- not the hero, but the other man -- and what I really want is for him to have his own story. Like Jake Linley, from Someone to Watch Over Me by Lisa Kleypas... that doctor could sit by my bedside if I ever got sick. And Ned Blydon in Splendid by Julia Quinn... he makes me want to learn to waltz! I never thought living in a drafty castle would be much fun until Simon of Ravenswood in Master of Desire by Kinley MacGregor came along. Anyway, I just wanted to let you know that these are my men -- when do they get their stories? Sincerely, A Romance Fan Some books are so special that there is more than one hero to love, but only a single story is told. So if you find yourself asking, "Where is my hero?" you'll discover the answer right here in this delicious collection by New York Times bestseller Lisa Kleypas, New York Times bestseller Julia Quinn and USA Today bestseller Kinley MacGregor.

When Charles Wycombe, the dashing and incorrigible Earl of Billington, toppled out of a tree and landed at Ellie's feet, neither suspected that such an inauspicious meeting would lead to marriage. But Charles must find a bride before his thirtieth birthday or he'll lose his fortune. And Ellie needs a husband or her father's odious fiancée will choose one for her. And so they agree to wed, even though their match appears to have been made somewhere hotter than heaven ... Ellie never dreamed she'd marry a stranger, especially one with such a devastating combination of rakish charm and debonair wit. She tries to keep him at arm's length, at least until she discovers the man beneath the handsome surface. But Charles can be quite persuasive -- even tender -- when he puts his mind to it, and Ellie finds herself slipping under his seductive spell. And as one kiss leads to another, this unlikely pair discovers that their marriage is not so inconvenient after all ... and just might lead to love.

It was indisputably love at first sight. But Victoria Lyndon was merely the teenaged daughter of a vicar. . . while Robert Kemble was the dashing young earl of Macclesfield. Surely what their meddling fathers insisted must have been true - that he was a reckless seducer determined to destroy her innocence. . . and she was a shameless fortune hunter. So it most certainly was for the best when their plans to elope went hopelessly awry. Even after a seven-year separation, Victoria - now a governess - still leaves Robert breathless. But how could he ever again trust the raven-haired deceiver who had shattered his soul? And Victoria could never give her heart a second time to the cad who so callously trampled on it the first. But a passion fated will not be denied, and vows of love yearn to be kept. . . even when one promises the moon.

Jack Audley has been a highwayman. A soldier. And he has always been a rogue. What he is not, and never wanted to be, is a peer of the realm, responsible for an ancient heritage and the livelihood of hundreds. But when he is recognized as the long-lost son of the House of Wyndham, his carefree life is over. And if his birth proves to be legitimate, then he will find himself with the one title he never wanted: Duke of Wyndham. Grace Eversleigh has spent the last five years toiling as the companion to the dowager Duchess of Wyndham. It is a thankless job, with very little break from the routine . . . until Jack Audley lands in her life, all rakish smiles and debonair charm. He is not a man who takes no for an answer, and when she is in his arms, she's not a woman who wants to say no. But if he is the true duke, then he is the one man she can never have . . .
