In addition, through Kindle Direct Publishing, authors can self-publish their work in five Indian languages including Hindi, Tamil, Malayalam, Marathi and Gujarati in addition to English.

Putting pen to paper with hilarious results, in Dear Coca-Cola Terry Ravenscroft homes in on the Food & Drink industry. Household names such as Heinz, McDonalds, Tesco, Kentucky Fried Chicken and those wonderful people at Coca-Cola are the targets for his entertaining epistles, resulting in a laugh-out-loud letters book with a difference. Is he really a fan of Butcher's Dog Food? (For him. not his dog.) And you really don't want to know what he asks Jacob's Biscuits for! But you will when you've read his letters to them. You will never look at the contents of your refrigerator or kitchen cupboards in the same way again. Amazon Reader's review - "Do not read this book whilst holding a cold drink, a hot partner or anything squeezable. The genius of this man's writing is a beautiful thing to read, dry, sharply observed and above all cheap as chips on kindle downloads. As funny as 'Dear Air 2000' but without the lasagne although you will never be able to look at Bisto gravy granules in quite the same way ever again. Whatever you do download this and help keep Terry Ravenscroft in Oxfam trousers and 2 bottles of white wine." Lee Sylvester.

Establishing an awards program for self-published authors offers libraries new ways to bolster their relevance and expand upon their roles as curators and "keepers of story." This guide shows you how. • Offers practical, step-by-step guidelines for librarians wishing to launch a librarian-curated, self-publishing author award program • Inspires librarians to explore a new area of service and maintain their libraries' relevance • Describes how to position librarians in a new leadership role with curation, eBooks, and self publishing to better engage their communities

Tim is a mad keen cyclist who loves Cycling in France, loves doing Etape du Tour, loves climbing hills and helping others become awesome cyclists. He also loves surfing, growing food, running and playing golf. He lives on a 10 acre farm in the Byron Bay hinterland with his wife Kate and golden retriever Poppins where they grow pecans, coffee, avos, mangos, bananas and look after their cows, goats, chooks and guinea fowl.

The next novel from author Bryce Zabel, whose debut, *Surrounded by Enemies: What if Kennedy Survived Dallas?* won the coveted Sidewise Award for Alternate History. " We know The Beatles let it be, but what if they worked it out instead? This book gives life to every fan ' s fantasy. It's a great new adventure full of twists and turns that never were, but might have been." —Chris Carter, host, *Breakfast with the Beatles & Chris Carter ' s British Invasion* (Sirius/XM Radio) We all know the tragic story by now. After seven years as the most popular rock-and-roll group the world has ever seen, The Beatles—torn apart by personal and creative differences—called it quits in 1970, never to play together again. The fact that their contemporaries like the Rolling Stones are still playing today makes their ending even more painful. *Once There Was a Way: What if The Beatles Stayed Together?* is a story of another reality, the one we wished had happened, where the Fab Four chose to work it out rather than let it be. This book is no mere fairy tale, but a chronicle crafted from the people and events of our own history, shaped to create a brand new narrative in which John, Paul, George, and Ringo find a way to stay friends and keep the band together. Imagine there was more. Lots more. It ' s easy if you try. "Hold on to your hats, folks. You're in for quite a ride." —Harry Turtledove, alternative history author, *How Few Remain*, on *Surrounded by Enemies*
