Don't Let Go is the latest stand alone by crime writer Harlan It is the story of Nap (short for Napoleon) Dumas whose TWIN brother was found dead on the town's train tracks along with the brother's girlfriend. Nap's girlfriend mysteriously disappeared after this and so the story begins. Coben is a good writer.

Don't Let Go by Harlan Coben -  
Goodreads

The plot of Don't Let Go was very intriguing to me; it is set in a small town where not much has happened since the tragic events of 15 years ago, when Nap's twin brother, Leo, and Leo's girlfriend, Diana, killed themselves. Nap's girlfriend, Maura, also disappeared and has not been seen or heard from since.

Spoiler

DON'T LET GO is a poor book. It seems to me that Coben had a story outline about a tragedy which would have made a good 125 page novella and turned that into a manipulative, clunky "suspense" novel. I found the on again, off again conversation with the protagonist's dead twin brother to be particularly unprofessional and annoying.

Napoleon “Nap” Dumas hasn't been the same since senior year of high school, when his twin brother Leo and Leo's girlfriend Diana were found dead on the railroad tracks—and Maura, the girl Nap considered the love of his life, broke up with him and disappeared without explanation. For fifteen years, Nap has been searching, both for Maura and for the real reason behind his brother's death. And now, it looks as though he may finally find what he's been looking for. When Maura's fingerprints turn up in the rental car of a suspected murderer, Nap embarks on a quest for answers that only leads to more questions—about the woman he loved, about the childhood friends he thought he

knew, about the abandoned military base near where he grew up, and mostly about Leo and Diana—whose deaths are darker and far more sinister than Nap ever dared imagine.

A worthy heir to Isak Dinesen and Beryl Markham, Alexandra Fuller shares visceral memories of her childhood in Africa, and of her headstrong, unforgettable mother. raising, horrific, and thrilling.”—The New Yorker

Though it is a diary of an unruly life in an often inhospitable place, *Don't Let's Go to the Dogs Tonight* is suffused with Fuller's endearing ability to find laughter, even when there is little to celebrate. Fuller's debut is unsentimental and unflinching but always captivating. In wry and sometimes hilarious prose, she stares down disaster and looks back with rage and love at the life of an extraordinary family in an extraordinary time. From 1972 to 1990, Alexandra Fuller—known to friends and family as Bobo—grew up on several farms in southern and central Africa. Her father joined up on the side of the white government in the Rhodesian civil

war, and was often away fighting against the powerful black guerilla factions. Her mother, in turn, flung herself at their African life and its rugged farm work with the same passion and maniacal energy she brought to everything else. Though she loved her children, she was no hand-holder and had little tolerance for neediness. She nurtured her daughters in other ways: She taught them, by example, to be resilient and self-sufficient, to have strong wills and strong opinions, and to embrace life wholeheartedly, despite and because of difficult circumstances. And she instilled in Bobo, particularly, a love of reading and of storytelling that proved to be her salvation.

Alexandra Fuller writes poignantly about a girl becoming a woman and a writer against a backdrop of unrest, not just in her country but in her home. But *Don't Let's Go to the Dogs Tonight* is more than a survivor's story. It is the story of one woman's unbreakable bond with a continent and the people who inhabit it, a portrait lovingly realized and deeply felt. Praise for *Don't Let's Go to the Dogs Tonight* "Riveting . . . [full of] humor and compassion."—*O: The Oprah Magazine* "The incredible story of an incredible childhood."—*The Providence Journal*
