The Raven: six men and an elf, sword for hire in the wars that have torn apart Balaia. For years their loyalty has been only to themselves and their code. But, that time is over. The Wytch Lords have escaped and The Raven find themselves fighting for the Dark College of magic, searching for the location of Dawnthief. It is a spell created to end the world, and it must be cast if any of them are to survive. Dawnthief is a fast paced epic about a band of all-too-human heroes. From the Trade Paperback edition.

The Raven are tested to the point of destruction when a savage war is unleashed across their world and the magical colleges of Balaia tear the land apart in their struggle for supremacy. Can The Raven even survive, let alone triumph?

Now the land of Balaia, still riven by war, must live with the consequences. The Dawnthief spell — designed to destroy the world, but cast to save it — has torn a hole in the sky, a pathway into the dragon dimension, and, through it, unfriendly eyes are turning to Balaia. With war already sweeping the land, there are no armies to send against the dragons. All that stands between Balaia and complete dominion by these

tyrannous beasts is a tiny, but legendary band of mercenaries: The Raven. And if they fail, Balaia will fall beneath the wings of countless dragons. James Barclay has created a fantasy epic of rare intensity and blistering pace peopled by characters you can believe in.

There Is A New Power Coming. It will sweep aside the four colleges of magic. It is the power of the land, and it has manifested itself in Lyanna, a five year old girl. Unknowingly, she could destroy Balaia. Desperate to maintain their power, the colleges will do anything to control the child. If that fails, they will kill her. Terrified, Lyanna's mother, Erienne the mage, takes her into hiding. But they can't hide forever. As the hunt goes on, Lyanna starts to test her powers and nature itself begins to turn on Balaia. Her father, Denser of The Raven, is also desperate to find her. But can even The Raven find Erienne and her child when they do not want to be found? And if they do find them, what then should they do? Lyanna is ripping the world apart. Thousands are dying. Can The Raven afford to let her live?

Thousands of years ago the elves were enslaved by the Wytch Lords. Murdered in their thousands, worked to death in slave gangs and divided against themselves, the wounds inflicted by man run deep - and elves have very long memories. Two of them - Auum and Takaar - led the rise against their enslavers, and united their people against men in order to free their nation. Now Calaius is at peace ... but that doesn't mean their nation is safe. Men need their help. The Wytch Lords have rallied, men's magic has grown more powerful, and their politics have become altogether more dangerous. Especially now: one of the mages has created a spell, called Dawnthief, which has the potential to destroy all living things on the planet. All four magical colleges are

fighting to seize it and, in the background, the Wytch Lords have schemes of their own. Schemes which involve crushing the elven nation for good. Whoever seizes the spell, it places the elves in tremendous danger. But can Auum and Takaar overcome their differences and work together to save Calaius? And even if they can, is it not already too late ... ? Find out more on his website, www.jamesbarclay.com, or you can follow @barculator on Twitter.

THE ELVES ARE ENSLAVED Calaius is occupied by an implacable, relentless enemy. The great elven cities are little more than prison camps. Elven slaves are forced to destroy their beloved rainforest to harvest timber for their masters. The enemy has no mercy, no honour and little skill in battle. The enemy is Man. Those few elves who remain free are fragmented, in squabbling factions, and they must unite before they can take a stand against Man. Many believe that the battle is already lost, but Auum is not one of them. He knows Men's numbers are great but their tactics are weak; he knows Men think the Elves are already beaten; he is convinced that his people must fight now, or see their race destroyed. Takaar disagrees. He believes Elven salvation lies in unlocking their magic, not in fighting pitched battles against Man. He is determined to save his people too, but his tactics are entirely different ... and if some Elves must die now to ensure Calaius will be free of Man in the future, it's a sacrifice he is willing to make. The Elves must choose their sides. Whatever they decide, victory will win their freedom ... and failure will mean extermination ...
