Free from the prison Millie 942B was born and raised in, she finds the Nation she believed in to be the very enemy she feared. -- from publisher's description.

Former small-town football hero turned cop, Joe Kessler never met a linebacker, perp, or a woman he couldn't handle. Then a troubled single mom walks into his life, and the only place this hot jock will ever see 'easy' again is in the dictionary. Hiding out in Broslin, PA was working pretty well for Wendy Belle until Cop Casanova took her under his protection. Now she 'll either lose her life to one man, or her heart to another.

Who will emerge as the true hero of the people? K 6 inzell engages again with Glenn's knights, but their spells have critically weakened him. Just as capture seems imminent, Aht rejoins the fight! Despite her injuries, Aht is determined to prove to K 6 inzell that her devotion can be an asset and not a hindrance in battle, even if it costs her life. Meanwhile, the deeply paranoid Barestar sends an army against the city to kill the hero-killer--at the price of citizens' lives! The knights of the Order of the Seven Lances face a difficult choice: follow the will of the hero Barestar and allow the soldiers to pillage the city, or fight to protect the people alongside K 6 inzell, the very man they were sent to eliminate! An epic fantasy on the grandest of scales!

The Undead. The UK's #1 Horror Series by Washington Post bestselling author RR Haywood The Undead Day Ten. A deadly infection spreads across Europe. The Undead Series: A terrifying account of one man desperately struggling to survive this harrowing event.

Rylie is Alpha: the leader of the werewolves. They 're an endangered species living in a sanctuary, and she 's guarded them for two peaceful years. The peace is shattered when somebody sends Rylie a threatening silver bullet. A new member of the pack goes missing. And to make things worse, her inner wolf is strangely attracted to her boyfriend 's brother, leaving her torn between the love of two men -- one of them a werewolf, and the other a former hunter.

A poignant and unforgettable rags-to-riches family saga following three generations of a remarkable clan from downtown ghetto to Park Avenue opulence Marrying Jack Auerbach was Essie Litsky 's salvation, enabling her to break free of her strict Russian-Jewish immigrant parents and escape New York 's poor, dirty, overcrowded Lower East Side. Together with her husband, Essie amassed a fortune that dwarfed their wildest dreams: She was living in a grand mansion on Park Avenue, collecting priceless art, even conferring with a US president. But money could never buy the affection of family or compensate for the true love Essie let slip away. And now, as she nears the end of her life, she must contend with blackmail and heartless legal assaults coming at her from all sides, the result of the ugly, parasitic greed of her own children and grandchildren. But Essie is not dead yet, and those who underestimate the remarkable old woman are in for a shocking and powerful surprise. In this New York Times bestseller, Stephen Birmingham, acclaimed chronicler of the lives of the super-rich and author of "Our Crowd", introduces three generations of a singular family as it moves from poverty to privilege over the course of a cataclysmic century, led by one of the most endearing and unforgettable heroines in modern American fiction.

A one-stop desk reference, for engineers involved in the use of engineered materials across engineering and electronics, this book will not gather dust on the shelf. It brings together the essential professional reference content from leading international contributors in the field. Material ranges from basic to advanced topics, including materials and process selection and explanations of properties of metals, ceramics, plastics and composites. A hard-working desk reference, providing all the essential material needed by engineers on a day-to-day basis Fundamentals, key techniques, engineering best practice and rules-of-thumb together in one quick-reference sourcebook Definitive content by the leading authors in the field, including Michael Ashby, Robert Messler, Rajiv Ashana and R.J. Crawford

Last summer, three very different girls—wild Murphy, perfect Leeds, and shy Birdie—etched their initials on a Magnolia tree at Darlington Peach Orchard to symbolize that they're friendship will last forever. But can it survive the less-than-peachy year ahead? Murphy, more in love with Rex than ever, is torn between her big-city dreams and following her heart . . . all the way across the railroad tracks and into Rex's arms. Leeds, nominated to be Bridgewater's Pecan Queen, basks in the rose-scented glow of her Ice Queen mother's sudden affection—until her sister, the princess, returns. Birdie, happy for the first time, wants nothing more than to make time stand still. Too bad everything is changing, whether she likes it or not. The sweet trio of Georgia girls that made Peaches a national bestseller returns in this delicious and satisfying sequel. This year, Murphy, Leeds, and Birdie discover that bitter endings can lead to sweet new beginnings. . . and that the orchard that brought them together will always be a part of them—even if they leave it behind.
