RENAISSANCE Directions: Answer the questions below each paragraph in a complete sentence. The new ways of business and growth of European economies during the Commercial Revolution caused some cities to develop as large trading centers. The wealthiest cities were located along waterways or near large bodies of water, because location near water made trade easier.

Copy of Renaissance and Reformation.docx - RENAISSANCE ...
The Reformation was a movement in Europe of the sixteenth and seventeenth centuries that broke the monopoly over religion held by the Roman Catholic Church since the later years of the Roman Empire and that created a new set of alternative Protestant churches that have henceforth helped supply the needs of Christians in Western Europe and in countries influenced by Europe.

Covering the Renaissance and Reformation, this volume introduces a unique set of interdisciplinary biographical dictionaries covering the great cultural figures of Western civilization.

English translation (1561) of the 1528 text which portrays Renaissance court society in Italy

"[...] 53. They are enemies of Christ and of the pope, who bid the Word of God be altogether silent in some Churches, in order that pardons may be preached in others. 54. Injury is done the Word of God when, in the same sermon, an equal or a longer time is spent on pardons than on this Word. 55. It must be the intention of the pope that if pardons, which are a very small thing, are celebrated with one bell, with single processions and ceremonies, then the Gospel, which is the very greatest thing, should be preached with a hundred bells, a hundred processions, a hundred ceremonies. 56. The "treasures of the Church," out of which the pope grants indulgences, are not sufficiently named or known among the people of Christ. 57. That they are not temporal treasures is certainly evident, for many of the vendors do not pour out such treasures so easily, but only gather them. 58. Nor are they the merits of Christ and the Saints, for even without the pope, these always work grace for the inner man, and the cross, death, and hell for the outward man. 59. St. Lawrence said that the treasures of the Church were the Church's poor, but he spoke according to the usage of the word in his own time.[...]"

Erasmus reached England after a stay in Italy early in the summer of

Download Free European Renaissance And Reformation Answer Key

1510. Soon afterwards, in Thomas More's house at Bucklersbury, he rapidly wrote his famous satire, the *Encomium Moriae*, or "Praise of Folly," in which Folly celebrates her own praises as the great source of human pleasures. He had been meditating this piece on the long journey from Rome; it is a kaleidoscope of his experiences in Italy, and of earlier memories. As to the title, *Moria*, the Greek word for "folly," was a playful allusion, of course, to the name of his wise and witty host. This "Praise of Folly" is a satire, not only in the modern but in the original sense of that word,—a medley. All classes, all callings, are sportively viewed on the weak side. But in relation to the author's own life and times, the most important topics are the various abuses in the Church, the pedantries of the school-men, and the selfish wars of kings. If this eloquent Folly, as Erasmus presents her, most often wears the mocking smile of Lucian or Voltaire, there are moments also when she wields the terrible lash of Juvenal or of Swift. The popularity of the satire, throughout Europe, was boundless. The mask of jest which it wore was its safeguard; how undignified, how absurd it would have been for a Pope or a King to care what was said by Folly! And, just for that reason, the *Encomium Moriae* must be reckoned among the forces which prepared the Reformation.
