So what ' s the big deal about breeding purebreds? You put two compatible dogs alone together in a room, lower the lights, put a Barry White CD on the stereo and voila, two months later you ' ve got yourself a litter of purebreds—and the rest is gravy, right? Not quite. Simply breeding dogs takes considerable space, time, and capital. Consistently breeding mentally and physically sound purebreds, on the other hand, is a labor of love that involves all of the above and a whole lot more. If you really love dogs then you need to consult with an expert on the many responsibilities, rules, and regulations dog breeding entails before you take the leap. And that ' s where Breeding Dogs For Dummies comes in. Written by Rick Beauchamp, professional breeder, exhibitor, and author of numerous books on the care and feeding of purebred dogs, Breeding Dogs For Dummies fills you in on every facet of the business. Packed with priceless insider tips and expert advice and guidance, it tells you what you need to know to: Decide whether dog breeding is really for you Choose the right breed for you Create the best possible breeding environment for your dogs Establish a breeding program Find the right breeding stock Comply with all government and AKC regulations Care for and socialize your pups Find the right owners for your dogs Explore what it takes to start a breeding program that will ensure your dogs ' health and enhance their lineage for fun and profit. Topics covered in detail include: Selecting breeding stock and keeping track of breed types Understanding purebred genetics and genotype characteristics Finding and selecting the right stud dog and brood bitch Prenatal care, whelping, and raising puppies Running a successful dog breeding business—including tips on budgeting, taxes, registration, charting, planning litters, transactions, sales contracts, and more Breeding puppies involves many responsibilities, but it can also be one of the most enjoyable and rewarding experiences of your life. Make sure that it is—order a copy of Breeding Dogs For Dummies today.

Containing full pedigree of all the imported through-bred stallions and mares, with their produce.

The American Kennel Club's Meet the Shih Tzu is the AKC's first official publication on this popular companion breed, published in conjunction with the American Shih Tzu and I-5 Press. Meet the Shih Tzu presents accurate, authoritative information on all aspects of purchasing and owning this elegant Toy breed. All titles in the American Kennel Club's Meet the Breed series are heavily illustrated with color images of well-bred puppies and beautiful adults, making the books as attractive as they are reliable. Meet the Shih Tzu contains eleven detailed chapters devoted to the breed's history, characteristics, and the special requirements for owning this active and fully coated Toy. A chapter devoted to the purchase and selection of the Shih Tzu puppy gives the reader specific guidance on how to locate a qualified breeder and to recognize a healthy, sound puppy. Individual chapters on house-training and basic obedience serve as a crash course in positive-training techniques, the AKC's only recommended way of training dogs. Chapters on exercise, grooming, feeding, and healthcare present indispensable information for new dog owners. As an official publication of the AKC, Meet the Shih Tzu also explains the many vital programs offered by the country's leading canine organization to all pet dog owners, including the S.T.A.R. Puppy and the Canine Good Citizen programs, as well as descriptions of various dog sports such as conformation showing, agility, herding, obedience and more. A detailed resources section offers recommendations for websites, books, periodicals, and club affiliate programs, all of great interest to responsible new dog owners.

The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.
