The high priestess of the hood, Nikki Turner, is back with the novel fans have been feenin' for: the sequel to her #1 bestselling novel, A Hustler's Wife. Des, Virginia's slickest gangsta, is about to become a dad when he is charged with the murder of his own attorney. But with Yarni, his gorgeous wife (and a brilliant lawyer), now calling the shots, Des isn't going back to the slammer without a fierce fight. Even with the heat on, Des manages to take his game to the next level and finds a new hustle, one that will allow him to possess the three things all major players desire: money, power, and respect. He becomes a preacher. Reluctantly, Yarni stands by her man as he trades in his triple beam scale for a Bible and a Bentley and makes his Church of the Good Life Ministry a welcoming place for all sinners to step up to the altar. But when Des's nephew is killed in the high-stakes heroin trade and Des learns that someone close to him okayed the hit, the dyed-in-the-wool gangsta sets aside the Bible for the gospel of the streets—even if it means risking the one person who's always had his back.

Coming from a well-to-do family, Yarni knows life with her new love--Richmond, Virginia's notorious drug kingpin Des--will be quite a change, but the innocent girl can't imagine what is in store for her when Des is sentenced to life in prison.

Yarni is reunited with her husband, Des, after he is freed from prison, but finds her loyalty--and her religious faith--tested when he takes on the role of preacher in order to pursue his thirst for money, power, and respect.

**BONUS:** This edition contains an excerpt from Nikki Turner's Heartbreak of a Hustler's Wife. The reigning Queen of Hip-Hop Lit, Nikki Turner returns with a fresh and fierce tale sure to satisfy longtime fans and create new ones. Desember Day is beautiful, confident, and smart. She has more game in the streets than a basketball player does on the court, and her boyfriend, Fame, loves every single inch of her. But unlike her mother, who has been in one bad relationship after another, Desember is not going to wait on a knight in shining armor to save her, and even her love for Fame can't stand in the way of Desember selling anything and everything—legal or illegal—that can turn a profit, so that she never has to depend on a man. The only thing Desember feels she's lacking is a father to call her own. And her mother refuses to tell Desember who he is. When Fame finds himself at the wrong end of a gun, fighting for his life, Desember wants nothing more than to stand by her man, but Fame warns her from his hospital bed that she isn't safe. Desember wonders if she was the real target. Her mother, concerned for Desember's safety, arranges for her daughter to travel to Richmond, Virginia, to live with Desember's father and his wife. And when her father's identity is finally revealed, Desember learns that she is a Natural Born Hustler. But are her troubles really over? Or is the worst yet to come?

Deeply wounded by the betrayal of her fiance, Bambi Ferguson vows never to risk love again and to only look for men who can benefit her financially, a promise that is undermined when she falls in love with Lynx, a young drug dealer. Reprint.

After they discover that Indie, the man who raised them, had a hand in their father's death, twins Khalil and Hadji plot revenge and throw their mother Tressa's life into chaos.

**BONUS:** This edition contains an excerpt from Nikki Turner's Heartbreak of a Hustler's Wife. Queen of hip hop fiction Nikki Turner follows her gritty, emotionally charged novel The Glamorous Life with this new tale from the hood featuring a beautiful down-on-her-luck sister who can out-hustle the best of them as she rises from the ghetto to glory. After Mercy's beloved dad is murdered in cold blood on her seventh birthday, her mother gives her up to foster care. But despite an unsavory upbringing, Mercy vows to make something of herself—at all costs. Working as a concierge at a hotel notorious for its shady clientele, Mercy meets and falls hard for a notorious dealer who keeps her living large in Gucci clothes and off-the-hook apartments. Then she lands a real lucrative deal: running drugs up Interstate 95 from Miami to New York. But Mercy doesn't want to live the gangsta life forever. She's got bigger dreams. She turns legit and makes her mark, yet despite a new, cleaned-up career, she can't get the streets completely out of her blood. A sexy hustler named C-Note steals her heart. And as their relationship heats up, Mercy discovers that their pasts are hopelessly—and tragically—entwined.

When Fabiola Mays hits the stage, all eyes are on her. She has the looks, the moves, and the voice to be the hottest diva alive. Her talent and sex appeal attracts the attention of the music industry's most influential (and shadiest) mogul, one who will do whatever it takes to get Fabiola into his bed. Too fly to bow down to such sleaze, Fabiola earns herself powerful enemies and an unlikely ally. When Casino, an older gangster battling demons of his own in the music biz and on the streets, crosses her path, they pool their hopes and their assets to fight for a brighter future.
