Worried about mean girls? Help your daughter respond and react to bullying where it starts---in elementary school As experts in developmental psychology and each a mother of three, Dr. Michelle Anthony and Dr. Reyna Lindert began noticing an alarming pattern of social struggle among girls as young as five, including their own daughters. In today's world, it is likely that your daughter has been faced with bullying and friendship issues, too---and perhaps you're at a loss for how to guide her through these situations effectively. Little Girls Can Be Mean is the first book to tackle the unique social

struggles of elementary-aged girls, giving you the tools you need to help your daughter become stronger, happier, and better able to enjoy her friendships at school and beyond. Dr. Anthony and Dr. Lindert offer an easy-to-follow, 4-step plan to help you become a problem-solving partner with your child, including tips and insights that girls can use on their own to confront social difficulties in an empowered way. Whether your daughter is just starting grade school or is already on her way to junior high, you'll learn how to: OBSERVE the social situation with new eyes CONNECT with your child in a new way GUIDE your child with simple, compassionate strategies SUPPORT your

Cornell University is fortunate to have as its historian a man of Morris Bishop's talents and devotion. As an accurate record and a work of art possessing form and personality, his book at once conveys the unique character of the early university—reflected in its vigorous founder, its first scholarly president, a brilliant and eccentric faculty, the hardy student body, and, sometimes unfortunately, its early architecture—and establishes Cornell's wider significance as a case history in the development of higher education. Cornell began in rebellion against the obscurantism of college education a century ago. Its record, claims the author, makes a social and

Bookmark File PDF Funny Softball Cheers And Chants

cultural history of modern America. This story will undoubtedly entrance Cornellians; it will also charm a wider public. Dr. Allan Nevins, historian, wrote: "I anticipated that this book would meet the sternest tests of scholarship, insight, and literary finish. I find that it not only does this, but that it has other high merits. It shows grasp of ideas and forces. It is graphic in its presentation of character and idiosyncrasy. It lights up its story by a delightful play of humor, felicitously expressed. Its emphasis on fundamentals, without pomposity or platitude, is refreshing. Perhaps most important of all, it achieves one goal that in the history of a living university is

Bookmark File PDF Funny Softball Cheers And Chants

both extremely difficult and extremely valuable: it recreates the changing atmosphere of time and place. It is written, very plainly, by a man who has known and loved Cornell and Ithaca for a long time, who has steeped himself in the traditions and spirit of the institution, and who possesses the enthusiasm and skill to convey his understanding of these intangibles to the reader." The distinct personalities of Ezra Cornell and first president Andrew Dickson White dominate the early chapters. For a vignette of the founder, see Bishop's description of "his" first buildings (Cascadilla, Morrill, McGraw, White, Sibley): "At best," he writes, "they embody the character of Ezra Cornell, grim,

Bookmark File PDF Funny Softball Cheers And Chants

gray, sturdy, and economical." To the English historian, James Anthony Froude, Mr. Cornell was "the most surprising and venerable object I have seen in America." The first faculty, chosen by President White, reflected his character: "his idealism, his faith in social emancipation by education, his dislike of dogmatism, confinement, and inherited orthodoxy"; while the "romantic upstate gothic" architecture of such buildings as the President's house (now Andrew D. White Center for the Humanities), Sage Chapel, and Franklin Hall may be said to "portray the taste and Soul of Andrew Dickson White." Other memorable characters are Louis Fuertes, the beloved

Bookmark File PDF Funny Softball Cheers And Chants

naturalist; his student, Hugh Troy, who once borrowed Fuertes' rhinoceros-foot wastebasket for illicit if hilarious purposes; the more noteworthy and the more eccentric among the faculty of succeeding presidential eras; and of course Napoleon, the campus dog, whose talent for hailing streetcars brought him home safely—and alone—from the Penn game. The humor in *A History of Cornell* is at times kindly, at times caustic, and always illuminating.

Singing occurs in nearly every setting of Amish life. It is a sanctioned pleasure that frames all Amish rituals and one that enlivens and sanctifies both routine and special events, from household chores, road trips by

buggy, and family prayer to baptisms, youth group gatherings, weddings, and “single girl” sings. But because Amish worship is performed in private homes instead of public churches, few outsiders get the chance to hear Amish people sing. Amish music also remains largely unexplored in the field of ethnomusicology. In *Why the Amish Sing*, D. Rose Elder introduces readers to the ways that Amish music both reinforces and advances spiritual life, delving deep into the *Ausbund*, the oldest hymnal in continuous use. This illuminating ethnomusicological study demonstrates how Amish groups in Wayne and Holmes Counties, Ohio—the largest concentration of Amish in the world—sing to praise

Bookmark File PDF Funny Softball Cheers And Chants

God and, at the same time, remind themselves of their 450-year history of devotion. Singing instructs Amish children in community ways and unites the group through common participation. As they sing in unison to the weighty words of their ancestors, the Amish confirm their love and support for the community. Their singing delineates their common journey—a journey that demands separation from the world and yielding to God's will. By making school visits, attending worship services and youth sings, and visiting private homes, Elder has been given the rare opportunity to listen to Amish singing in its natural social and familial context. She combines one-on-
