Hidden [House of Night 10] Sadly, I literally had to force myself to read this book. That's how bad or how far this series has come too. I remember when I first found Marked in 9th grade and how in love with the series I was. I found the next book or two and read them over that same weekend. But now...I'm so over it.

After all those books before Hidden, I was getting bored of this series. I mean, seriously, The House of Night series is just getting way too long. This is like Private by Kate Brian. Just no. I think books like these (number ten in the series of The House of Night) should have a recap. (TV Talk now) Recaps are nice.

won't stay hidden for long... "Move over Stephenie Meyer." – People The House of Night series is an international phenomenon, reaching #1 on U.S., German, and UK bestseller lists, and remaining a fixture on the New York Times Children's Series bestseller list for more than 140 weeks and counting. With nearly 12 million copies in print, rights sold in thirty-eight countries to date, and relatable, addictive characters, this series is unstoppable. Now in Hidden, the tenth installment of the series, the stakes are higher than ever before. Neferet's true nature has been revealed to the Vampyre High Council, so Zoey and the gang might finally get some help in defending themselves and their beloved school against a gathering evil that grows stronger every day. And they'll need it, because Neferet's not going down without a fight. Chaos reigns at the House of Night.

Dare to enter the House of Night with the next four titles of the series (following UNTAMED), collected in a beautifully designed boxed set With more than 12 million books in print, rights sold in almost 40 countries, and over two years on the New York Times bestseller list (reaching as high as #1), the House of Night series by PC and Kristin Cast is an international publishing sensation. The series follows 16-year-old Zoey Redbird as she is “Marked” by a vampyre tracker and begins to undergo the “Change” into an actual vampyre. She has to leave her family and move into the House of Night in Tulsa, OK, a boarding school for other fledgling vampyres like her. It’s tough to begin a new life, away from her parents and friends, and on top of that, Zoey finds she is no average fledgling. She has been Marked as special by the vampyre Goddess, Nyx. Although Zoey has awesome new powers, it’s hard to fit in when everyone knows you’re “special.” As Zoey tries to make new friends and maybe find a hot boyfriend (or two), she comes up against all kinds of evil, from the perfect-looking, super-popular girl with not-so-faultless plans, to the mysterious deaths happening at the House of Night and all over Tulsa. Things at the House of Night are not always what they seem. Can Zoey find the courage deep within herself to find the truth and embrace her destiny?

Zoey is finally home where she belongs, safe with her Guardian Warrior, Stark, by her side, and preparing to face off against Neferet – which would be a whole lot easier if the High Counsel saw the ex-High Priestess for what she really is. Kalona has released his hold on Rephaim, and, through Nyx's gift of a human form, Rephaim and Stevie Rae are finally able to be together – if he can truly walk the path of the Goddess and stay free of his father's shadow... But there are new forces at work at the House of Night. An influx of humans, including Lenobia's handsome horse whisperer, threatens their precarious stability. And then there's the mysterious Aurox, a jaw-droppingly gorgeous teen boy who is actually more – or possibly less – than human. Only Neferet knows he was created to be her greatest weapon. But Zoey can sense the part of his soul that remains human, the compassion that wars with his Dark calling. And there's something strangely familiar about him... Will Neferet's true nature be revealed before she succeeds in silencing them all? And will Zoey be able to touch Aurox's humanity in time to protect him – and everyone – from his own fate? Find out what's destined in the next thrilling chapter of the House of Night series.

When young Lenobia is Marked as a fledgling vampyre, her world turns upside down and she is drawn to the musical streets of New Orleans where she learns of the city's dark underbelly, ruled by powerful black magic.

"My love, speak to me. Tell me everything." Neferet went to Kalona, kneeling before him, stroking the soft, dark wings that unfurled loosely around the immortal. "What would you have me say?" He didn't meet her eyes. "Zoey lives." Neferet's voice was flat, cold, lifeless. "She does." "Then you owe me the subservience of your immortal soul." She started to walk away from him. "Where are you going? What will happen next?" "It is quite simple. I will ensure Zoey is drawn back to Oklahoma. There, on my own terms, I will complete the task you failed." Exonerated by the Vampyre High Council and returned to her position of High Priestess at Tulsa's House of Night, Neferet has sworn vengeance on Zoey. Dominion over Kalona is only one of the weapons she plans to use against Z. But Zoey has found sanctuary on the Isle of Skye and is being groomed by Queen Sgiach to take over for her there. Being Queen would be cool, wouldn't it? Why should she return to Tulsa? After losing her human consort, Heath, she will never be the same – and her relationship with her super-hot-warrior, Stark, may never be the same either... And what about Stevie Rae and Rephaim? The Raven Mocker refuses to be used against Stevie Rae, but what choice does he have when no one in the entire world, including Zoey, would be okay with their relationship? Does he betray his father or his heart? In the pulse-pounding 8th book in the bestselling House of Night series, how far will the bonds of friendship stretch and how strong are the ties that bind one girl's heart?

A penultimate installment in the best-selling series finds a vengeful and drastically altered Neferet threatening the human population of Tulsa as well as Zoey and her friends, who are blamed for the ensuing chaos and challenged to prevent a supernatural war.

Life sucks when your friends are pissed at you. Just ask Zoey Redbird – she's become an expert on suckiness. In one week she has gone from having three boyfriends to having none, and from having a close group of friends who trusted and supported her, to being an outcast. Speaking of friends, the only two Zoey has left are undead and unMarked. And Neferet has declared war on humans, which Zoey knows in her heart is wrong. But will anyone listen to her? Zoey's adventures at vampyre finishing school take a wild and dangerous turn as loyalties are tested, shocking true intentions come to light, and an ancient evil is awakened in PC and Kristin Cast's spellbinding fourth House of Night novel. (Recommended for readers age 13 and older)

Before he was freed by Neferet, Kalona was imprisoned within the earth for centuries because of the Darkness in his heart. But what happened to the Other World's Kalona? It's as though he's been forgotten, or maybe he never existed at all ... In the present, Other Neferet may have left her House of Night, but she has far from given up her goal of immortality and world domination. As she operates in secret to gain access to Old Magick, the new High Priestess, Anastasia Lankford, works toward peace and acceptance for the vampyres of the Other World. But just as Other Kevin's broken heart will take time to heal, peace in that world will also take time and work—and not all of the Other World vampyres want peace. After all, why should they return to being shunned by humans, especially when they've had a taste of how it feels to be in power? Meanwhile, Zoey is desperate to help rid the Other World of Neferet once and for all, and not knowing what's going on over there is eating away at

It ' s too bad that something always seems to go wrong whenever the stakes are high. What happens when worlds clash and powers that should be left alone are awakened? The House of Night series from bestselling authors P.C. Cast and Kristin Cast is set in a world very much like our own, except in 16-year-old Zoey Redbird's world, vampyres have always existed. In this first book in the series, Zoey enters the House of Night, a school where, after having undergone the Change, she will train to become an adult vampire--that is, if she makes it through the Change. Not all of those who are chosen do. It's tough to begin a new life, away from her parents and friends, and on top of that, Zoey finds she is no average fledgling. She has been Marked as special by the vampyre Goddess, Nyx. But she is not the only fledgling at the House of Night with special powers. When she discovers that the leader of the Dark Daughters, the school's most elite club, is misusing her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny--with a little help from her new vampyre friends.
