The Walker family story is an inspiring and candid journey from rural farming to manufacturing and the lessons learned along the way. The founder's son, Bob Walker, shows how faith in God and godly wisdom provide a sure foundation for starting and operating a successful business-along with courage, the willingness to take risks, and a tenacious dream to remain independent. Stories of American ingenuity bring to life the principles his family cultivated on their way to becoming Walker Manufacturing Company, a worldwide premier provider of zero-turn lawn mowers. Operating a business is about more than multiplying money. It is a way to create multiplied opportunity for yourself and many others. Ultimately, business can even become a way to love people. The Walker Way shows how.
