Top Hollywood actors and repeatedly transformed the world of gaming. Despite its incredible innovations in the \$75 billion game industry, it has also been a lightning rod of debate, spawning accusations of ethnic and sexual discrimination, glamorizing violence, and inciting real-life crimes. Jacked tells the turbulent and mostly unknown story of GTA's wildly ambitious creators, Rockstar Games, the invention and evolution of the franchise, and the cultural and political backlash it has provoked. Explains how British prep school brothers Sam and Dan

# Get Free Jacked The Outlaw Story Of Grand

Thief Auto took their dream of fame, fortune, and the glamor of American pop culture and transformed it into a worldwide videogame blockbuster Written by David Kushner, author of Masters of Doom and a top journalist on gaming, and drawn from over ten years of interviews and research, including firsthand knowledge of Grand Theft Auto's creators and detractors Offers inside details on key episodes in the development of the series, including the financial turmoil of Rockstar games, the infamous "Hot Coffee" sex mini-game incident, and more Whether you love Grand Theft Auto or

## Get Free Jacked The Outlaw Story Of Grand

Thief Auto David Kusner  
Hate it, or just want to understand the defining entertainment product of a generation, you'll want to read Jacked and get the real story behind this boundary-pushing game.

Presents a dual biography of John Carmack and John Romero, the creators of the video games Doom and Quake, assessing the impact of their creation on American pop culture and revealing how their success eventually destroyed their relationship.

“An engrossing microcosm of the internet’s Wild West years” (Kirkus Reviews),

# Get Free Jacked The Outlaw Story Of Grand

award-winning journalist  
David Kushner tells the  
incredible battle between  
the founder of Match.com and  
the con man who swindled him  
out of the website Sex.com,  
resulting in an all-out war  
for control for what still  
powers the internet today:  
love and sex. In 1994,  
visionary entrepreneur Gary  
Kremen used a \$2,500 loan to  
create the first online  
dating service, Match.com.  
Only five percent of  
Americans were using the  
internet at the time, and  
even fewer were looking  
online for love. He quickly  
bought the Sex.com domain  
too, betting the combination  
of love and sex would help

## Get Free Jacked The Outlaw Story Of Grand

Propel the internet into the mainstream. Imagine Kremen's surprise when he learned that someone named Stephen Michael Cohen had stolen the rights to Sex.com and was already making millions that Kremen would never see. Thus follows the wild true story of Kremen's and Cohen's decade-long battle for control. In *The Players Ball*, author and journalist David Kushner provides a front seat to these must-read Wild West years online, when innovators and outlaws battled for power and money. This cat-and-mouse game between a genius and a con man changed the way people connect forever, and is key

## Get Free Jacked The Outlaw Story Of Grand

to understanding the rise  
and future of the online  
world. “Kushner delivers a  
fast-paced, raunchy tale of  
sex, drugs, and dial-up.”  
—Publishers Weekly

If you think a gang of real-  
life geeks can't take on the  
world and win big . . .  
think again. And whatever  
you do, don't sit down  
across a gaming table from  
Jon Finkel, better known as  
Jonny Magic. Jonny Magic and  
the Card Shark Kids is his  
amazing true story: the jaw-  
dropping, zero-to-hero  
chronicle of a fat,  
friendless boy from New  
Jersey who found his edge in  
a game of cards—and turned

## Get Free Jacked The Outlaw Story Of Grand

It into a fortune. The ultimate bully-magnet, Finkel grew up heckled and hazed until destiny came in the form of a trading-card game called Magic: The Gathering. Magic exploded from nerdy obsession to mainstream mania and made the teenage Finkel an ultracool world champion. Once transformed, this young shark stormed poker rooms from the underground clubs of New York City to the high-stakes tables online, until he landed on the largest card-counting blackjack team in the country. Taking Vegas for millions, Finkel's squad of brainy gamers became the biggest players in town.

## Get Free Jacked The Outlaw Story Of Grand

Then they took on the town's biggest game, the World Series of Poker, and walked away with more than \$3.5 million. Thrilling, edgy, and ferociously feel-good, the odyssey of these underdogs-turned-overlords is the stuff of pop-culture legend. And David Kushner, acclaimed author of *Masters of Doom*, masterfully deals out the outrageous details while bringing to life a cast of characters rife with aces, kings, knaves . . . and more than a few jokers. If you secretly believe every player has his day, you're right. Here's the proof.

## Get Free Jacked The Outlaw Story Of Grand

From award-winning journalist David Kushner, a regular contributor to Rolling Stone, The New Yorker, and Vanity Fair, Alligator Candy is “a raw story about courage, survival, and most certainly about love” (Tampa Bay Times). David Kushner grew up in the suburbs of Florida in the early 1970s, running wild with his friends, exploring, riding bikes, and disappearing into the nearby woods for hours at a time. One morning in 1973, however, everything changed when David’s older brother Jon took a short bike trip to the local convenience store. He never returned.

## Get Free Jacked The Outlaw Story Of Grand

Alligator Candy is the story of Jon's murder at the hands of two sadistic drifters, and everything that happened after. Jon's death was one of the first in what turned out to be a rash of child abductions and murders that dominated headlines for much of the 1970s and 80s. It was around this the time that milk cartons began to feature the images of missing children, and newscasters began asking, "It's 10:00, do you know where you children are?" Alligator Candy chronicles Jon's story, but also tells how parenting in America has changed, casting light on the transition between two

## Get Free Jacked The Outlaw Story Of Grand

generations of children—one raised on freedom, the other on fear. “Parents today can understand the love, hope, and fear Kushner so eloquently describes in this account of one family’s transcendent courage in the face of crushing pain” (Bookpage, “Top Ten Book of the Month”). Alligator Candy is a disturbing, insightful, and inspiring meditation on grief, growth, and what childhood has become: “not only a memorial to a brother tragically deprived of his right to live; but also a meditation on the courage necessary to live freely in a world riven by pain, suffering, and evil” (Kirkus

# Get Free Jacked The Outlaw Story Of Grand Reviews). Auto David Kushner

In her first case, private detective Maisie Dobbs must investigate the reappearance of a dead man who turns up at a cooperative farm called the Retreat that caters to men who are recovering their health after World War I. Reissue.

In the decade after World War II, one entrepreneurial family helped thousands of people buy into the American dream of owning a home, not just any home, but a good one, with all the modern conveniences. The Levitts--two brothers, William and Alfred, and

## Get Free Jacked The Outlaw Story Of Grand

their father, Abe - pooled their talents in land use, architecture, and sales to create story book town with affordable little houses. They laid out the welcome mat, but not to everyone. Levittown had a whites-only policy. This is the story that unfolded in Levittown, PA, one unseasonably hot summer in 1957 on a quiet street called Deepgreen Lane. There, a white Jewish Communist family named Wechsler secretly arranged for a black family, the Myers, to buy the little pink house next door. What followed was an explosive summer of violence that would transform their lives,

## Get Free Jacked The Outlaw Story Of Grand

Theft Auto David Kushner  
and the nation. It would lead to the downfall of a titan, and the integration of the most famous suburb in the world. It's a story of hope and fear, invention and rebellion, and the power that comes when ordinary people take an extraordinary stand.

Is this new Microsoft venture just another experiment that, like WebTV, was launched to much fanfare but will be quickly forgotten? Or will it become the next Windows, finding its way into the homes and lives of millions of people around the world?".

NATIONAL BESTSELLER Kushner

Developing video games—hero's journey or fool's errand? The creative and technical logistics that go into building today's hottest games can be more harrowing and complex than the games themselves, often seeming like an endless maze or a bottomless abyss. In *Blood, Sweat, and Pixels*, Jason Schreier takes readers on a fascinating odyssey behind the scenes of video game development, where the creator may be a team of 600 overworked underdogs or a solitary geek genius. Exploring the artistic challenges, technical impossibilities, marketplace

# Get Free Jacked The Outlaw Story Of Grand

demands, and Donkey Kong-sized monkey wrenches thrown into the works by corporate, Blood, Sweat, and Pixels reveals how bringing any game to completion is more than Sisyphean—it's nothing short of miraculous. Taking some of the most popular, bestselling recent games, Schreier immerses readers in the hellfire of the development process, whether it's RPG studio Bioware's challenge to beat an impossible schedule and overcome countless technical nightmares to build Dragon Age: Inquisition; indie developer Eric Barone's single-handed efforts to grow country-life RPG

# Get Free Jacked The Outlaw Story Of Grand

Starzard Valley David Kushner  
man's vision into a multi-million-dollar franchise; or Bungie spinning out from their corporate overlords at Microsoft to create Destiny, a brand new universe that they hoped would become as iconic as Star Wars and Lord of the Rings—even as it nearly ripped their studio apart. Documenting the round-the-clock crunches, buggy-eyed burnout, and last-minute saves, *Blood, Sweat, and Pixels* is a journey through development hell—and ultimately a tribute to the dedicated diehards and unsung heroes who scale mountains of obstacles in their quests to create the

# Get Free Jacked The Outlaw Story Of Grand Theft Auto David Kushner best games imaginable.

Listening to pundits and politicians, you'd think that the relationship between violent video games and aggressive behavior in children is clear. Children who play violent video games are more likely to be socially isolated and have poor interpersonal skills. Violent games can trigger real-world violence. The best way to protect our kids is to keep them away from games such as Grand Theft Auto that are rated M for Mature. Right? Wrong. In fact, many parents are worried about the wrong things! In 2004, Lawrence

# Get Free Jacked The Outlaw Story Of Grand

Kutner, PhD, and Cheryl K. Olson, ScD, cofounders and directors of the Harvard Medical School Center for Mental Health and Media, began a \$1.5 million federally funded study on the effects of video games. In contrast to previous research, their study focused on real children and families in real situations. What they found surprised, encouraged and sometimes disturbed them: their findings conform to the views of neither the alarmists nor the video game industry boosters. In Grand Theft Childhood: The Surprising Truth about Violent Video Games and What

## Get Free Jacked The Outlaw Story Of Grand

Parents Can Do, Kutner and Olson untangle the web of politics, marketing, advocacy and flawed or misconstrued studies that until now have shaped parents' concerns. Instead of offering a one-size-fits-all prescription, Grand Theft Childhood gives the information you need to decide how you want to handle this sensitive issue in your own family. You'll learn when -- and what kinds of -- video games can be harmful, when they can serve as important social or learning tools and how to create and enforce game-playing rules in your household. You'll find out

## Get Free Jacked The Outlaw Story Of Grand

what's really in the games  
your children play and when  
to worry about your children  
playing with strangers on  
the Internet. You'll  
understand how games are  
rated, how to make best use  
of ratings and the  
potentially important  
information that ratings  
don't provide. Grand Theft  
Childhood takes video games  
out of the political and  
media arenas, and puts  
parents back in control. It  
should be required reading  
for all families who use  
game consoles or computers.  
Almost all children today  
play video or computer  
games. Half of twelve-year-  
olds regularly play violent,

## Get Free Jacked The Outlaw Story Of Grand

Mature-rated games. And  
parents are worried... "I  
don't know if it's an  
addiction, but my son is  
just glued to it. It's the  
same with my daughter with  
her computer...and I can't  
be watching both of them all  
the time, to see if they're  
talking to strangers or if  
someone is getting killed in  
the other room on the  
PlayStation. It's just nerve-  
racking!" "I'm concerned  
that this game playing is  
just the kid and the TV  
screen...how is this going  
to affect his social  
skills?" "I'm not concerned  
about the violence; I'm  
concerned about the way they  
portray the violence. It's

## Get Free Jacked The Outlaw Story Of Grand

not accidental; it's intentional. They're just out to kill people in some of these games." What should we as parents, teachers and public policy makers be concerned about? The real risks are subtle and aren't just about gore or sex. Video games don't affect all children in the same way; some children are at significantly greater risk. (You may be surprised to learn which ones!) Grand Theft Childhood gives parents practical, research-based advice on ways to limit many of those risks. It also shows how video games -- even violent games -- can benefit children and

# Get Free Jacked The Outlaw Story Of Grand

families in unexpected ways.  
In this groundbreaking and  
timely book, Drs. Lawrence  
Kutner and Cheryl Olson cut  
through the myths and  
hysteria, and reveal the  
surprising truth about kids  
and violent games.
