Jim Morrison's tragic death at twenty-seven in 1971 was the last in the se- quence of rock extinctions that began with Jim's hero Brian Jones (at twenty-seven) in 1969, and continued with Janis Joplin and Jimi Hendrix (both also at twenty-seven) in 1970. The rock movement never recov- ered.

Some of them still exist today. Jim Morrison knew that he was not here for the long run. I think that he knew he would die at a young age and indeed he did. He was only 27 at his death but the doctor who signed his death certificate in Paris, where he died, stated that he would have guessed him to be 57 years of age.

Draws on unpublished journals and recordings as well as numerous original interviews to cover every aspect of the musician's life and work, in a portrait that includes discussions of Morrison's military upbringing, emergence as a rock icon, and mysterious death. By the author of Hammer of the Gods. Reprint. 35,000 first printing.

Thirty-five years after his death in Paris at age twenty-seven, Jim Morrison's iconic legend remains as powerful as ever, swathed in the mists of mystery. There have been numerous biographies about the self-proclaimed "Lizard King's" life and career. But none have examined his roots and childhood, the intellectual foundations of his music, his wild days with the Doors, and his enigmatic early death as completely and insightfully as Break On Through. More than simply a fascinating look at a rock legend whose cult following never stops growing, here is the definitive Morrison biography: his angry relationship with his father; the early tragedies and terrible events responsible for the darkness of his artistic vision; his private life and legal trials, including his infamous Miami obscenity bust; and the truth about his final hours. Based on extensive research and featuring dozens of rarely published photographs, this is the authoritative portrait of the poet, the grim visionary, the haunted man, and his haunting music.

From one of rock's greatest writers, Love Becomes a Funeral Pyre is the definitive biography of the Doors Spanning the entire history of the band, from the birth of its members to the deaths of those who have departed, this book will long remain the definitive history of a band that changed the history of popular music. The band that started out as the "American Rolling Stones," noted for their wildly unpredictable performances, their jazzy vibe, and the crazed monologues of their front man, ended as badly as did the '60s: abruptly, bloody, cripplingly. Along with evoking the cultural milieu of Los Angeles in the era, bestselling writer Mick Wall captures the true spirit of that tarnished age. From the release of their classic first album, The Doors, to their last with Jim Morrison, L.A. Woman, this band biography is a brilliantly penetrating and contemporary investigation into the real story of the Doors.

The definitive anthology of Jim Morrison's writings with rare photographs and numerous handwritten excerpts of unpublished and published poetry and lyrics from his 28 privately held notebooks. Created in collaboration with Jim Morrison's estate and inspired by a posthumously discovered list entitled "Plan for Book," The Collected Works of Jim Morrison is an almost 600-page anthology of the writings of the late poet and iconic Doors' front man. This landmark publication is the definitive opus of Morrison's creative output and the book he intended to publish. Throughout, a compelling mix of 160 visual components accompanies the text: excerpts from his 28 privately held notebooks;all written in his own hand and published here for the first time;as well as an array of personal images and commentary on the work by Morrison himself. This oversized, beautifully produced collectible volume contains a wealth of new material:poetry, writings, lyrics, and audio transcripts of Morrison reading his work. Not only the most comprehensive book of Morrison's work ever published, it is immersive, giving readers insight to the creative process of and offering access to the musings and observations of an artist whom the poet Michael McClure called "one of the finest, clearest spirits of our times.!" This remarkable collector's item includes: Foreword by Tom Robbins; introduction and notes by editor Frank Lisclandro that provide insight to the work; prologue by Anne Morrison Chewing Published and unpublished work and a vast selection of notebook writings The transcript, the only photographs in existence, and production notes of Morrison's last poetry recording on his twenty-seventh birthday The Paris notebook, possibly Morrison's final journal, reproduced at full reading size Excerpts from notebooks kept during his 1970 Miami trial The shooting script and gorgeous color stills from the never-released film HWY Complete published and unpublished song lyrics accompanied by numerous drafts in Morrison's hand Epilogue: "As I Look Back": a compelling autobiography in poem form Family photographs as well as images of Morrison during his years as a performer Hear Jim Morrison's final poetry recording, now available for the first time, on CD or digital audio book, at the Village Recorder in West Los Angeles on his twenty-seventh birthday, December 8, 1970. The digital audio book also includes performances by Patti Smith, Oliver Ray, Liz Phair, Tom Robbins, and others reading Morrison's work.

And in a final chapter, Davis synthesizes new evidence recently uncovered in Paris to resolve at last many of the mysteries surrounding Morrison's death, and reconstructs the final days and hours of America's greatest rock star."-BOOK JACKET.

Chronicles the author's four-year relationship with Jim Morrison, shedding light on the artist's complex personality, sexual proclivities, and insecurities.

Jim Morrison, lead singer of the Doors, has achieved a bizarre cult status since his death in 1971. Morrison was one of the most popular and controversial figures to emerge during the sixties; described as an 'erotic politician,' poet, shaman, Dionysian drunk, his style and influence have grown steadily in the twenty years since his death, so that the real man has gradually disappeared behind the legend. Now, in The Lizard King: The Essential Jim Morrison, Morrison's biographer Jerry Hopkins, co-author of No One Here Gets Out Alive, reassesses Jim's life and provides fresh insights into him as a human being rather than the myth that he has become. But this reassessment is only part of this remarkable book. At its heart is a series of interviews with Jim Morrison by journalists including Hopkins himself, Ben Fong-Torres, John Tobler, Bob Chorush, Salli Stevenson, Richard Goldstein and the late John Carpenter, Morrison shows himself to have been articulate, intelligent and witty. Published uncut, these interviews provide a unique insight into a man who consciously created his own myth, then lived to regret it. Stripping bare the facts from the fantasies of Jim's death in Paris in 1971, and taking a long hard look at what has happened since to the people who he left behind, The Lizard King: The Essential Jim Morrison brings sharply into focus the broken dreams and unreachable ideals of one of the sixties' most enduring icons.

Angels Dance and Angels Die tells the story of the turbulent relationship between legendary Doors front man, Jim Morrison, and his common-law wife, Pamela Courson. Follow the lives of Courson and Morrison before their fateful meeting in 1965; their lives together until Morrison's death in 1971; and Courson's life without Morrison, including her fight to gain the rights to his estate until her death from a heroin overdose on April 25, 1974.

Here is Jim Morrison in all his complexity-singer, philosopher, poet, delinquent-the brilliant, charismatic, and obsessed seeker who rejected authority in any form, the explorer who probed "the bounds of reality to see what would happen..." Seven years in the writing, this definitive biography is the work of two men whose empathy and experience with Jim Morrison uniquely prepared them to recount this modern tragedy: Jerry Hopkins, whose famous Presley biography, Elvis, was inspired by Morrison's suggestion, and Danny Sugerman, confidant of and aide to the Doors. With an afterword by Michael McClure.

"The best book yet about The Doors." --Booklist Now available as an ebook for the first time...the inside story of the Doors, by cofounder and keyboard player Ray Manzarek. Includes 16 pages of photos. "A refreshingly candid read...a Doors bio worth opening." --Entertainment Weekly No other band has ever sounded quite like the Doors, and no other frontman has ever transfixed an audience quite the way Jim Morrison did. Ray Manzarek, the band's co-founder and keyboard player, was there from the very start--and until the sad dissolution--of the Doors. In this heartfelt and colorfully detailed memoir, complete with 16 pages of photographs, he brings us an insider's view of the brief, brilliant history...from the beginning to the end. "An engaging read." --Washington Post Book World
