Jiu-Jitsu University by Saulo Ribeiro This is the ultimate book for the foundations of competitive jiu-jitsu. The six-time champion Ribeiro shares his techniques, revolutionary system of grappling, the most common jiu-jitsu errors and the practical remedies.

Saulo Ribeiro—six-time Brazilian Jiu-Jitsu World Champion—is world-renowned for his functional jiu-jitsu knowledge and flawless technique. In *Jiu-Jitsu University*, Ribeiro shares with the public for the first time his revolutionary system of grappling, mapping out more than 200 techniques that carry you from white to black belt. Illuminating common jiu-jitsu errors and then illustrating practical remedies, this book is a must for all who train in jiu-jitsu. Not your run-of-the-mill technique book, *Jiu-Jitsu University* is a detailed training manual that will ultimately change the way jiu-jitsu is taught around the globe.

The best guide to learning jiu-jitsu ever written in English, this is the most comprehensive study available. It describes the authentic form of judo developed in the late 19th century by Professor Jiguro Kano — not the many imitations often called by this name. Officially recognized by the Japanese government as the preeminent school of jiu-jitsu, the Kano system was the method in which Japanese armed forces and police were trained. The complete system of 160 holds and throws is clearly explained, with 487 photographs and four charts providing further clarification. Pressure points, balance, falling, and every other important aspect receives full and complete treatment. The first section presents 60 "tricks" of combat in strict sequence that prepare for part two, in which readers learn how to apply the advantages of the tricks they've learned. The third section deals with highly scientific tricks of combat, by which an opponent may be incapacitated — and the methods of *kuatsu*, or resuscitation, by which a fallen opponent may be revived. Martial arts students at every level of experience will find this classic guide a source of valuable information and instruction.

Andre Galvao has earned his reputation as one of the best and most exciting Brazilian Jiu-Jitsu champions of all time. Now, he brings his training methods to the public with *Drill to Win: 12 Months to Better Brazillian Jiu-Jitsu*. If you want to move like Galvao, submit like Galvao and win like Galvao, this is the book for you. In this one-of-a-kind manual, Andre outlines both a 1-year schedule to overall improvement as well as smaller game plans for short term competition preparation. This is not your average reference book, but instead a step-by-step guide to building a champion grappler. The key to this book is in its building block methodology that follows Andre's basics of grappling—the ability to move and adapt to new movements in Brazilian Jiu-Jitsu. So don't wait, pick up this book and start the first day of your BJJ explosion!

In recent years, the grappling arts have proven to be the most effective form of combat in mixed martial arts (MMA) and no-holds-barred (NHB) competitions. Above all others, the Gracie brand of Brazilian jujitsu has become recognized as the preeminent fighting style in unarmed combat. Now Renzo Gracie—*instructor; competitor; and champion of numerous grappling, MMA, and NHB events*—reveals the inner workings of the art in his latest book, *Mastering Jujitsu*. From the origins of the art to personal techniques, you will experience the impact the Gracies have had on jujitsu and learn the strategies they have developed to dominate their opponents. Gracie shares the subtleties of the techniques necessary for mastering the art, and he clearly demonstrates the flow of movement with more than 250 high-quality photos. Not only will *Mastering Jujitsu* help you progress from isolated skill development techniques to a full set of tactics and fight plans, but it will also introduce you to the concept of combat phases and teach you to attack from any phase. You will learn how to react to your opponent in any situation. Whether you're caught in a bottom position or attacking from the top, Gracie reveals the key strategies designed to give you the upper hand. The depth and breadth of topics covered in *Mastering Jujitsu* will aid even the most experienced black belts in their understanding and execution of Brazilian jujitsu. With detailed coverage on advanced principles, you will get all the tactics, strategies, techniques, and drills you need for close combat fighting. Contents Chapter 1. Classical Jujitsu: Theory and History Chapter 2. Modern Jujitsu: New Concepts, New Directions Chapter 3. Underlying Theory and Strategy of Modern Jujitsu Chapter 4. Free-Movement Phase Chapter 5. Clinch Phase Chapter 6. Ground Fighting Chapter 7. Winning From the Bottom Position Chapter 8. Winning From the Top Position Chapter 9. Training and Competition Chapter 10. Jujitsu for Self-Defense

Brazilian Jiu-Jitsu is a guide to the most effective and devastating techniques in popular martial arts by World Champion and Brazilian Jiu Jitsu legend Alexandre Paiva. The book contains over 1,000 full-color photographs demonstrating the moves that made the author the most feared competitor in BJJ circles and now one of the most sought-after instructors. Jiu-Jitsu or Jujutsu came into prominence in the early 90's when jiu-jitsu expert Royce Gracie won the first, second, and fourth Ultimate Fighting Championships against much larger opponents who were using other styles such as boxing, muay thai, karate, and wrestling. Since then it has become one of the most popular styles in MMA due to its focus on ground fighting. Learn the techniques that have proven dominant in Brazilian Jiu-Jitsu tournaments and in the Mixed Martial Arts cage: Takedowns The Closed Guard Passing The Closed Guard Butterfly Guard Open Guard Pass Side Control Half Guard Back Mount With sections devoted to both gi and no-gi techniques, whether training for a Brazilian Jiu-Jitsu tournament or a Mixed Martial Arts fight, *Brazilian Jiu-Jitsu* is one book no true competitor can afford to miss.

Step-by-step photographs and illustrations demonstrate more than one hundred maneuvers from the traditional martial art of Brazilian jiu-jitsu, with an

overview of the history of jiu-jitsu and its uses.

BJ PENN—UFC World Champion, Jiu-Jitsu World Champion, and best-selling author of *Mixed Martial Arts: The Book of Knowledge*—sheds new light on the sport of Brazilian Jiu-Jitsu with this unprecedented examination of the closed guard. Through step-by-step color photographs and descriptive narrative, Penn shares his elaborate system for gaining control of your opponent's body while fighting off your back, and then unleashes more than eight fight-ending submissions. He divulges his most vicious strangleholds, including collar chokes, arm chokes, and triangle chokes. He demonstrates how to apply bone-breaking pressure to your opponent's wrist, elbow, and shoulder using his most ruthless straight arm bars, inverted arm bars, kimura locks, Americana locks, and omaplata locks. And to ensure your offense never gets shut down, Penn unveils your opponent's most common submission defenses, and then teaches you how to capitalize on that defense by transitioning into secondary submissions and a host of sweeps. Detailing dozens of ways to chain your attacks together to form fluid combinations, this book leaves no stone unturned. Whether you are new to the grappling arts or an experienced practitioner, *Brazilian Jiu-Jitsu: The Closed Guard* will take your game to the next level.

From the acclaimed author of *A Fighter's Heart* comes an "entertaining and enlightening" look inside the mental game of mixed martial arts fighting (Dave Doyle, Yahoo! Sports). In his acclaimed national bestseller, *A Fighter's Heart*, Sam Sheridan took readers with him into the dangerous world of professional fighting. From a muay Thai bout in Bangkok to Iowa, where he fought the toughest mixed martial arts stars, Sheridan threw himself into a quest to understand how and why we fight. In *The Fighter's Mind*, Sheridan explores the mental discipline required of an elite fighter. In his training, Sheridan heard time and again (in Yogi Berra fashion) that "fighting is ninety percent mental, half the time." But what does this mean, exactly? To uncover the secrets of mental strength and success, Sheridan interviewed dozens of the world's most fascinating and dangerous men. He spoke with celebrated trainers Freddie Roach and Greg Jackson; champion fighters Randy Couture, Frank Shamrock, and Marcelo Garcia; ultrarunner David Horton; chess prodigy (and the inspiration for *Searching for Bobby Fischer*) turned tai chi expert Josh Waitzkin; and the legendary wrestler Dan Gable, among others. "Fantastic . . . One of the best MMA books I've ever read, and I've certainly read my fair share." —Eric O'Brien, "Way of the Warrior," ESPN radio "You don't have to care about fighting, or even know that MMA stands for mixed martial arts, to find insights into human behavior in Sam Sheridan's *The Fighter's Mind*." —David M. Shribman, Bloomberg

"On 'Mastering The 21 Immutable Principles Of Brazilian Jiu-Jitsu', Paulo Guillobel wears a hat of a scholar and proves that, in more than 26 years of practicing, he has not only trained, taught and competed at high level, but most important of all, has studied the art thoroughly. Every student, teacher and master will surely take advantage of the knowledge carefully organized in this book. This is by far the best Jiu-Jitsu book I ever read." —Luca Atalla, Vice President and Chief Editor of Gracie Magazine Until this book, there has never been a Brazilian Jiu-Jitsu book that has comprehensively explained the most fundamental and unchangeable principles of this martial arts style. Paulo Guillobel's *Mastering the 21 Immutable Principles of Brazilian Jiu-Jitsu* is a one-of-a-kind book that goes deep into the foundation of the Brazilian Jiu-Jitsu techniques and strategies. With an understanding of the 21 principles revealed in this book, any BJJ student will be able to discover the invisible details behind any technique, and also understand why the techniques are being used.
