This volume is a collection of all-new original essays covering everything from feminist to postcolonial readings of the play as well as source queries and analyses of historical performances of the play. The Merchant of Venice is a collection of seventeen new essays that explore the concepts of anti-Semitism, the work of Christopher Marlowe, the politics of commerce and making the play palatable to a modern audience. The characters, Portia and Shylock, are examined in fascinating detail. With in-depth analyses of the text, the play in performance and individual characters, this book promises to be the essential resource on the play for all Shakespeare enthusiasts.

The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.

As with many of his French contemporaries, Alfred de Vigny (1797-1863) enjoyed the challenge of reworking William Shakespeare's classic plays for a modern audience. "Shylock" (1830) eliminates many of the comic elements of the master's original and focuses on the darker themes of racial prejudice and the relationship between Jew and gentile. The result is another stunning resurrection and reinterpretation of a dramatic masterwork. Translated for the very first time into English! Since retiring from the legal profession, FRANK J. MORLOCK has translated over a hundred plays from eighteenth- and nineteenth-century French originals, and has also penned a number of original dramas of his own. In 2006 he was honored with an award from the North American Jules Verne Society. He lives and works in Maryland.

Originally published in 1991. Essays here are arranged chronologically within sections: 'The Play as Text', 'Shylock' and 'The Play in the Theatre.' Collecting previously published important commentaries and scholarly articles, this volume in the Shakespearean Criticism set looks at one of the Bard's most disturbing plays. These historical critical pieces give witness to the changing attitudes to the play and the characters and provide readers with a wide range of material relating both to performances and to textual readings.

It is not known when The Merchant of Venice was written although it is known that it was performed at the royal Court in February of 1605. The setting is Venice, Italy. The play begins with Bassanio, a friend of Antonio who is a merchant, asks Antonio for a loan. Bassanio wants to woo Portia, the rich heiress of Belmont. Although Antonio is wealthy, his money is tied up in investments, mostly ships, so he asks Shylock, a rich Jewish moneylender, for the loan. Shylock hates Antonio. He tells him that he will lend him the money, but if the loan is unpaid within three months' time, he must give Shylock a pound of his flesh. Antonio, wanting to help Bassanio who is besotted with Portia, agrees to this unusual arrangement. This annotated edition includes a biography and critical essay.

The Merchant of Venice is one of Shakespeare's most controversial plays, whose elements resonate even more profoundly in the current climate of rising racism, antisemitism, Islamophobia, anti-immigrant sentiment, queerphobia and right-wing nationalism. This collection of essays offers a 'freeze frame' that showcases a range of current debates and ideas surrounding the play. Each chapter has been carefully selected for its originality and relevance to your needs. Essays offer new perspectives that provide an up-to-date understanding of what's exciting and challenging about the play. Key themes and topics include: · Race and religion · Gender and sexuality · Philosophy · Animal studies · Adaptations and performance history
