why good etiquette matters. Etiquette
is a sensitive awareness of the
feelings of others, they remind us.
Ultimately, being considerate,
respectful, and honest is what's really
important in building positive
relationships. "Please" and "thank you"
do go a long way, and whether it's a
handshake, a hug, or a friend request,
it's the underlying sincerity and good
intentions behind any action that
matter most.

Celebrated by some, abused by others, Derrida is the most discussed philosopher at the end of this century.

Annabel Tippens seems like an ordinary little girl, with short blond hair and very good manners. But Annabel is actually quite unusual. Instead of parents, she has Gloria, a tiny white dog who talks and wears a gold collar. Annabel never wonders why her life is different, until one day a cat named Belinda tells her the truth -- she?s not just a little girl, she?s half fairy! But now that she knows the truth, will her whole life have to change?

The economic and political systems, legal code and religious beliefs of the

people of the New Guinea village of Busama were analysed by H. Ian Hogbin in his earlier work, Transformation Scene (1951). In this new study founded on field work carried out at intervals over a seven year period, he is concerned primarily with the individual in his relations with the kinship structure. He takes a typical Busama through a full span of life, from birth through infancy, childhood, adolescence, and marriage to maturity and death; and he shows how each stage in the individual's life involves a change in his kinship relationships and responsibilities. This approach gives the professional anthropologist a set of carefully presented data analysed in line with the contemporary emphasis on seeing the relations between kin in the context of the local community, and it
