After just five months of dating Janie, Quinn-former Wendell and unapologetic autocrat-is ready to propose marriage. In fact, he's more than ready. If it were up to Quinn, he would efficiently propose, marry, and beget Janie with child all in the same day. Will Quinn last until the wedding day?

There are three things you need to know about Elizabeth Finney: 1) She suffers from severe sarcastic syndrome, especially when she's unnerved, 2) No one unnerves her like Nico Manganiello, and 3) She knows how to knit. Elizabeth Finney is almost always right about everything: the musical merits of boy bands are undervalued by society, “benefits” with human Ken dolls are better without friendship, and the sun has set on her once-in-a-lifetime chance for true love. But when Elizabeth’s plans for benefits without friendship are disarmed by the irritatingly charismatic and chauvinistic Nico Manganiello—her former nemesis—she finds herself struggling to maintain the electric fence around her heart while avoiding a Nico charisma-electrocution or, worse, falling in love. Friends Without Benefits is book #2 in the Knitting in the City series. Each book is a standalone, full length (110k words), contemporary romantic comedy novel, and follows the misadventures and exploits of seven friends in Chicago, all members of the same knitting group.

From the cinema verité of the sixties to softer fare like Splash, New York has provided some of the most iconic moments on film. Beginning with a survey of such classics as Breakfast at Tiffany’s, Scenes from the City captures how the changing face of New York, as well as the founding of the MOFTB, have contributed to a particular school of film characterized most emphatically in the street-style work of directors as diverse as Martin Scorsese and Spike Lee. With over 200 stills and contributions from noted New York film personalities such as Sidney Lumet and Nora Ephron, the book also includes rare, unpublished, behind-the-scenes shots and stories from the quintessential New York filmmaker himself—Woody Allen. With a special section on the landmark TV series, commercials and music videos filmed in New York, Scenes from the City is an affectionate and vivacious ovation for this captivating "character" that rarely receives billing but always steals the show.
