Short description.

Obsidian (at obsidian.md on the web) is a new, free app for helping you build a "second brain" - a place for your ideas to arrive, develop, and stay for the long haul. The Obsidian app is built on open standards that ensures that your second brain will always be your own. It works with familiar files and folders that stay local on your disk, ensuring privacy and longevity. Yes, it's free. This book provides an introduction to the Obsidian app and walks you through a handful of key concepts to help you master the software. And the book presents several techniques shared by the wonderful Obsidian user community that will help new and experienced users alike to master this powerful software.

Though it was written thousands of years ago, God's Word has much to say to modern moms concerning the important issues they face: family, jobs, self-image, and the meaning of life. God's Word for Moms is a collection of over 100 devotionals written by godly women just like you—women seeking answers to the big questions of life and a wellspring of peace, inspiration, and guidance. Each uplifting devotional is paired with a relevant scripture and is sure to leave readers emotionally and spiritually satisfied—which makes this collection a must-have for gift-giving, small group study, or personal use.

Analyzes the literary trends of the Italian renaissance period.
