"It's the book I tell everyone who asks me about drones to to buy" Thomas Greer, organisers of FPVLeague.co.uk - the drone racing league "Awesome. The book captures every topic and is accessible for everyone from journos needing proper info, through newbies to experienced fliers and photo/videographers. Clear images and well humoured i am delighted!" - Dominic Robinson, organiser of the International Drone Day (UK), part of a global event. The only thing growing faster than the drone market is the amount of misinformation about them. Almost overnight popular drones like the instantly reconginsable DJI Phantom have created a billion-dollar industry, with a foothold in everything from movie-making to the toy market. This book shows you everything
