The Hypnosis Process in the Art of Covert Hypnosis There is a lot that you will learn when you have this program that promises to take your game to the heights that are better. There is the process that you will have to follow that is present in any of the hypnosis guides that you will ever meet.

You know that communication is power. And that's exactly why it's so important to learn how to get your message across, no matter how much resistance you meet. Stop for a moment and ask yourself... what would you do if you had the power to influence anybody you meet, easily and effortlessly? Would your career take off? Would wealth become a certainty? Would you meet or fall even deeper in love with your soul mate? Would you discover the secrets of having the full and total support of strangers, everywhere you go? Why not ALL of it? The fact is, when you know how to connect with people, motivate people, make people feel good and influence people, you have the absolute keys to the world that can unlock anything you desire. Covert hypnosis is real, it's amazing and it's extremely powerful. SO powerful, it is a documented fact that marketers, advertisers and even politicians have been using it to influence YOU for decades. Becoming a Hypnotic Influence Ninja will teach you the skills of hypnotic influence. No jargon, no BS. Just real hypnotic techniques you can use in everyday conversation.

Covert hypnosis was created to persuade and influence people in the first place...can it be denied that how you manage your relationships and social interactions with other people is more vital to your success in life than anything else?The most powerful and important decision you can make is to transform yourself into a magnetic and powerful personality who will instantly gain access to more people who have more resources and who will happily exchange and combine their resources with your resources.Covert hypnosis and conversational hypnosis practitioners alike can all learn an extremely important lesson about mind control from the chess masters, and this is to control the areas of life that matter most, because by controlling the important areas of your life, you will soon have much more leverage to control other things. And one thing you need to control in this life are the dangerous behaviors that come from your social interactions with other people. These dangerous behaviors include: Emotional blackmailWorkplace bullyingGossip that can destroy your reputationBullying from elevated financial positionsOvert aggressionCovert aggressionAlmost everyone in the covert influence business is talking about workplace bullying these days.Nothing is wrong with protecting yourself from the overt or covert emotional aggression of other people, especially when they are using covert hypnosis against you to attack you in passively aggressive ways you may not even have been aware of. This means that because covert hypnosis is in many ways like a psychological martial art, and that because it should not be argued that self defense is unethical, that a covert hypnosis program need not necessarily be a Mr. Nice Guy Hypnosis Program.So Just Imagine Having The Personal Power To...Command more respect in every social environment.Turn gatekeepers into allies that are willing to open doors for you.Always come out of a crisis on TOP/Elevate your social value: get the best jobs and opportunities.Put an end to the gossip in the next cubicle and stop unfair treatment by your co-workers.Improve the way you socialize and gain the respect you deserve.Win over a difficult boss and start gaining better treatment at work.Extend your personal influence and authority.Manage the "class systems" in ways to get more of what you want out of life.Climb the ladder of success more quickly and easily.Prevent yourself from being manipulated and dominated by others.Shield your loved ones through difficult times.Become instinctively aware of the persuasion tricks being played on you.Fly completely under the radar as you grab the workplace bullies around you by the horns.Gain tremendous personal power and leverage in unsuspecting times.Learn from the chameleon and switch your strategies if and when the leadership changes.In this course, you will learn: Practical Persuasion SystemsGroup Management FoundationsBreaching the Class Systems Through Hypnotic PressurePassive War: An Introduction to Neutral StrategyBeyond Leverage: The Seven Components of PowerThe Game: Philosophical Approaches to SeductionAnd a Secret Bonus at the end

Up-to-the-minute scientific breakthroughs in the area of unconscious influence as related primarily to therapy or selling situations are discussed in this volume that details 150 nonverbal communications techniques.

Discover the power of influence, persuasion and mind control with this practical guide to the art of conversational hypnosis. Conversational hypnosis, also commonly known as covert hypnosis, is the art of influencing others by giving them direct subconscious commands to follow, which seem like normal everyday conversation. It is a style of communication that you will use to subtly direct anyone's subconscious mind to take action. When you practice the methods in this book you are going to be using hypnotic language patterns to influence others to take action and do what you want. It is not just what you are saying that is going to compel others to take action; it is a combination of how you say what you are saying. You are going to be learning how to use your voice, posture and body language in order to deliver a hypnotic command in a seemingly normal conversation that will influence the person you are talking to take action. After reading this book, you will master... how to subtly direct anyone's subconscious mind to take action the hypnotic language patterns that easily break down the walls of resistance and implant the desire to complete whatever action it is that you want them to take. how to make others believe that the action you are convincing them to take is a fun, safe and perfectly natural thing to be doing. If you want, they will even believe it was their idea in the first place the basic hypnotic formula, building rapport, psychological devices (hypnotic points), trick phrases, trance states, and other hypnotic tools that all hypnotists must have in their arsenal, and much, much more.... With this book, you have all of the tools necessary to successfully persuade almost anyone to do anything. This is the most powerful tool to have at your disposal in order to influence and persuade others. The most powerful persuasion tool is the ability to use conversational hypnosis effectively, because in order to convince anyone to do anything you need to know how to persuade them instantly. This can only be done by bypassing their conscious mind, that will almost always try to contradict what you are saying, and speak directly to their subconscious mind; which is much more open to suggestion.This is the art of conversational hypnosis. The Hard Bound Book Mind Control Language Patterns are spoken phrases that can act as "triggers" to the people who hear them. In short, they influence and control how we respond and cause us to be influenced to do things without our knowing. These language patterns are not fantasies but are based on documented uses that come from, psychology, hypnosis, Neuro Linguistic Programming and studies of human behavior. Mind Control Language Patterns can be used to help and hurt. One can use Mind Control Language Patterns to create positive and lasting change in people, as well as feelings of trust, love and affections. They can also be used to induce amnesia, fear, insecurity and doubt. These types of patterns are what we call "dark" pattern.
