practical tools, The Essential Workplace Conflict Handbook will help employees, managers at all levels, and business owners answer the following important questions: What's changing in the workplace and the workforce today? Are the right issues being addressed? How can we create more options to solve conflicts? What's my conflict style, and why is it important? How should I set and manage expectations? What happens when disruptive behavior gets out of control? Positive interactions are critical to successful workplaces. This vital new title gives you the confidence you need to communicate effectively, as well as a clear understanding of your individual responsibility, no matter your title or role. It also gives the organization a plan for what it can do to foster a tension-free workplace.

conversation, The Conflict Resolution Phrase Book, is the ideal resource to help anyone prepare for and prevail in these situations. Some situations are unpredictable, and you can't plan for every conversation--but having the right words on hand empowers you to stand up to conflict rather than run from it. The more you practice confronting and even embracing conflict, the stronger that habit will become and the less likely you will feel like fleeing from a difficult situation. The Conflict Resolution Phrase Book is a great resource that everyone should have at their fingertips to approach any difficult situation with the assurance that the words will come out right! You will learn: Positive things to say when you're initiating or responding to a difficult conversation. How to find and craft language to start a conversation. The right words for you to positively influence the situation. The Conflict Resolution Phrase
