A behind-the-scenes look at Lexus's surprising twenty-year success story—in a revised new edition In the 1980s, German brands BMW and Mercedes-Benz dominated the luxury car market and had little reason to fear competition from Japan. But in 1989, Toyota entered the market with the Lexus LS 400, a car that could compete with the Germans in every category but price—it was US\$30,000 cheaper. Within two years, Lexus had overtaken Mercedes-Benz in the United States and made a stunning success of Toyota's brave foray into the global luxury market. Lexus: The Relentless Pursuit reveals why Toyota decided to take on the German automakers and how the new brand won praise and success for its unparalleled quality, unforgettable advertising, and unprecedented customer service. From the first boardroom planning session to Lexus's entry into the mega-luxury supercar market, this is the complete and compelling story of one of the world's most admired brands. Includes a new foreword by legendary designer Erwin Ludi, an Afterword with updates since the first edition, and a new Coda by leading Japanese automotive journalist Hisao Inoue Covers the racetrack triumph—and tragedy—behind the new US\$375,000 Lexus LFA supercar Offers important business lessons for brand managers and executives For car enthusiasts, business leaders, and anyone interested in branding and marketing, Lexus: The Relentless Pursuit offers an amazing story of excellence and innovation in the automotive industry.

When China opened its doors to the West in the late 1970s, Western businesses jumped at the chance to sell their products to the most populous nation in the world. Boardrooms everywhere buzzed with excitement? Coke for every citizen, a television for every family, a personal computer for every office. At no other time have the institutions of Western capitalism tried to do business with a communist state to the extent that they did in China under Deng Xiaoping. Yet, over the decade leading up to the bloody events in and around Tiananmen Square, that experiment produced growing disappointment on both sides, and a vision of capturing the world's largest market faded.Picked as one of Fortune Magazine's "75 Smartest Books We Know," this updated version of Beijing Jeep, traces the history of the stormy romance between American business and Chinese communism through the experiences of American Motors and its operation in China, Beijing Jeep, a closely watched joint venture often visited by American politicians and Chinese leaders. Jim Mann explains how some of the world's savviest executives completely misjudged the business climate and recounts how the Chinese, who acquired valuable new technology at virtually no expense to themselves, ultimately outcapitalized the capitalists. And, in a new epilogue, Mann revisits and updates the events which constituted the main issues of the first edition.Elegantly written, brilliantly reported, Beijing Jeep is a cautionary tale about the West's age-old quest to do business in the Middle Kingdom.

The best-selling author of Nixonland presents a portrait of the United States during the turbulent political and economic upheavals of the 1970s, covering events ranging from the Arab oil embargo and the era of Patty Hearst to the collapse of the South Vietnamese government and the rise of Ronald Reagan.

PLEASE NOTE: Some recent copies of Let Your Life Speak included printing errors. These issues have been corrected, but if you purchased a defective copy between September and December 2019, please send proof of purchase to jossybase@education.wiley.com to receive a replacement copy. Dear Friends: I'm sorry that after 20 years of happy traveling, Let Your Life Speak hit a big pothole involving printing errors that resulted in an unreadable book. But I'm very grateful to my publisher for moving quickly to see that people who received a defective copy have a way to receive a good copy without going through the return process. We're all doing everything we can to make things right, and I'm grateful for your patience. Thank you, Parker J. Palmer With wisdom, compassion, and gentle humor, Parker J. Palmer invites us to listen to the inner teacher and follow its leadings toward a sense of meaning and purpose. Telling stories from his own life and the lives of others who have made a difference, he shares insights gained from darkness and depression as well as fulfillment and joy, illuminating a pathway toward vocation for all who seek the true calling of their lives.

In these troubled times, do you wonder about the future and the destiny of humanity? Do you want to know the true purpose of your existence on Earth and in the Universe? The most secret book in the world holds the answers you seek! Named as one of the 100 Most Spiritually Influential Living People by Watkins Mind Body Spirit, Zinovya Dushkova, Ph.D., is one of the few who has gained access to the million-year-old manuscript widely known as the Book of Dzyan, which contains answers to humanity's most pressing questions. Written in the language of the Gods, called Senzar, it is secretly hidden in the heart of the Himalayas, accessible to only a chosen few over the course of human history, accessible to only a chosen few over the course of human history, including Gautama Buddha, Jesus Christ, Pythagoras, Plato, and Helena Blavatsky. Now, for the first time ever, Dr. Dushkova has presented a never-before-seen excerpt from the mysterious Book of Dzyan in The Book of Secret Wisdom to bring new meaning and hope into your life. Beautiful and enlightening, it will reveal not only our past, but also our present and future. To facilitate your understanding of this profound and poetic text, the book contains a comprehensive glossary gleaned from the supreme sources of wisdom. In The Book of Secret Wisdom, you will discover the answers to these questions: • What are the ultimate goal and purpose of human existence? • What is the cause of natural disasters, global warming, and epidemics? • What really happened in 1999 and 2012? • What Great Event occurred invisibly in 2017? • When will Armageddon and the Last Judgment occur? • What should you expect in the coming decades? • Why are people dying, and is there a chance to be immortal? • Why does it seem that time is speeding up? • What is the famous Philosopher's Stone? • and much, much more! The all-embracing and undistorted Truth presented in this book was once accessible only to the privileged initiates of ancient civilizations who spent much of their lives seeking it. But now it is available to you in the pages of The Book of Secret Wisdom, a book that offers unprecedented access to the world's most ancient mysteries. If you are a spiritual seeker who enjoys expanding the boundaries of your understanding, this book is for you. "This book is an immeasurable treasure of knowledge. Its depth and scope are incredible." – 2016 Benjamin Franklin Awards Judge "It reads beautifully like a storybook, feels like a fable, and reveals valuable lessons of love for this lifetime." – Allyson Gracie, Wellness Specialist, Pilates & Yoga Instructor "One of the most inspiring, all encompassing, volumes of true truth I have read in all my years of seeking truth." – April Gieseking "It is deep, deeper and vast than you could have ever imagined." – Aakriti, Goodreads Don't wait! Buy The Book of Secret Wisdom now to unveil the future and destiny of humanity!
