Written specifically for the person asking, "How did we get our Bible?" this book explains how we got our Bible, addressing the subjects of revelation, inspiration, inerrancy, authority, canonization, textual criticism, translations, and errors-apparent or real. Rather than isolated independent topics, this book provides a chart that demonstrates the interrelationship between the topics and offers questions for further study and discussion with each chapter. expected. Some events may simply catch us off guard for a moment, but others shatter us completely. We feel disappointed and disillusioned, and we quietly start to wonder about the reality of God's goodness. Lysa TerKeurst understands this deeply. But she's also discovered that our disappointments can be the divine appointments our souls need to radically encounter God. In *It's Not Supposed to Be This Way*, Lysa invites us into her own journey of faith and, with grit, vulnerability, and honest humor, helps us to: Stop being pulled into the anxiety of disappointment by discovering how to better process unmet expectations and other painful situations. Train ourselves to recognize the three strategies of the enemy so we can stand strong and persevere through unsettling relationships and uncertain outcomes. Discover the secret of being steadfast and not panicking when God actually does give us more than we can handle. Shift our suspicion that God is cruel or unfair to the biblical assurance that God is protecting and preparing us. Know how to encourage a friend and help her navigate hard realities with real help from God's truth.

Your organization - business, church, or nonprofit - will experience unprecedented growth when you close the gap between these two game-changing questions: What are we known for? What do we want to be known for? In *Know What You're FOR*, entrepreneur and thought leader Jeff Henderson makes it clear that if we want to change the world with our products or our mission, then we must shift the focus of our messaging and marketing. Rather than self-promoting, we must transform our organizations to be people-centric. This sounds like a no-brainer, but looking closer shows just how little this is true and how impactful the change would

be if it were. Whether you're a business leader, a change advocate, or a movement maker, Know What You're FOR will help you - and your organization - thrive. It's what happens when you create an organization focused on who it is FOR. This is the future. Thriving organizations will be more concerned with becoming raving fans of their customers than they are trying to convince customers to become raving fans of the organization. This isn't theory. Jeff Henderson has experienced it. Working with companies like Chick-fil-A and the Atlanta Braves, then serving as a pastor for 15 years at one of the country's largest and most influential churches, North Point, Jeff knows what success looks like for healthy organizations and healthy lives. With fascinating stories from a host of entrepreneurs and Jeff's remarkable career, Know What You're FOR equips you with a simple strategy and the tools for extraordinary growth. You'll discover how to: Work FOR your current and future customers with a new, effective method Be FOR your team and help your people reach full potential Create a ripple impact by being FOR your community Live and work your best by caring FOR yourself In a hypercritical, cynical world, one that is often known for what it's against, let's be a group of people known for who and what we're FOR. It's a powerful strategy for business. But more importantly, it is a revolutionary way to live.

How did the Spirit work through the prophets? How does the Spirit give us wisdom and "lead us into all truth"? What is the relationship between the Holy Spirit, Jesus, and the Trinity? How did the Holy Spirit empower Mary and others in the New Testament? What role does the Holy Spirit play in our spiritual lives?
