Since the outbreak of SARS-CoV-2, a number of attempts have been made by experts, researchers and the political elite to explain away its origin, transmission, intent and impact. There is also the explosion of conspiracy theories of which states, researchers, international and corporate entities, the UN, the World Bank, philanthropists and even the Papacy have not been spared. The viral outbreak is even perceived as an attempt by the powerful not only to reduce global population but to expand their control of the world. The book has been written to expand the understanding of the reader on these critical issues about SARS-CoV-2 which

have become very concerning.
